FAN MALE

As one of your regular readers I would like to congratulate you on another erection-inducing issue of the best magazine around. Yet again it was full of the perfect combination of sweet yet raunchy girls such as Wendy Moore, Abbey Brown and Clare Turner. Any more pages of such immaculately beautiful girls like those beauties would probably give my cock cramp, but you're welcome to give it a go!

There are many girls who get me excited, such as the fantastic Joanne Harvey, and Tracey Harper's striptease in Vol 28 No 6 was the best thing *Mayfair* has covered (or should that be uncovered?) in ages.

May I also say how much I admire the in-depth articles by the extremely talented Jayne Hastings, but why do we never see a picture of her? Don't tell me she's too shy!

As always, I await your next issue with great expectations. — Rob, Durham

SEXY SECRETS

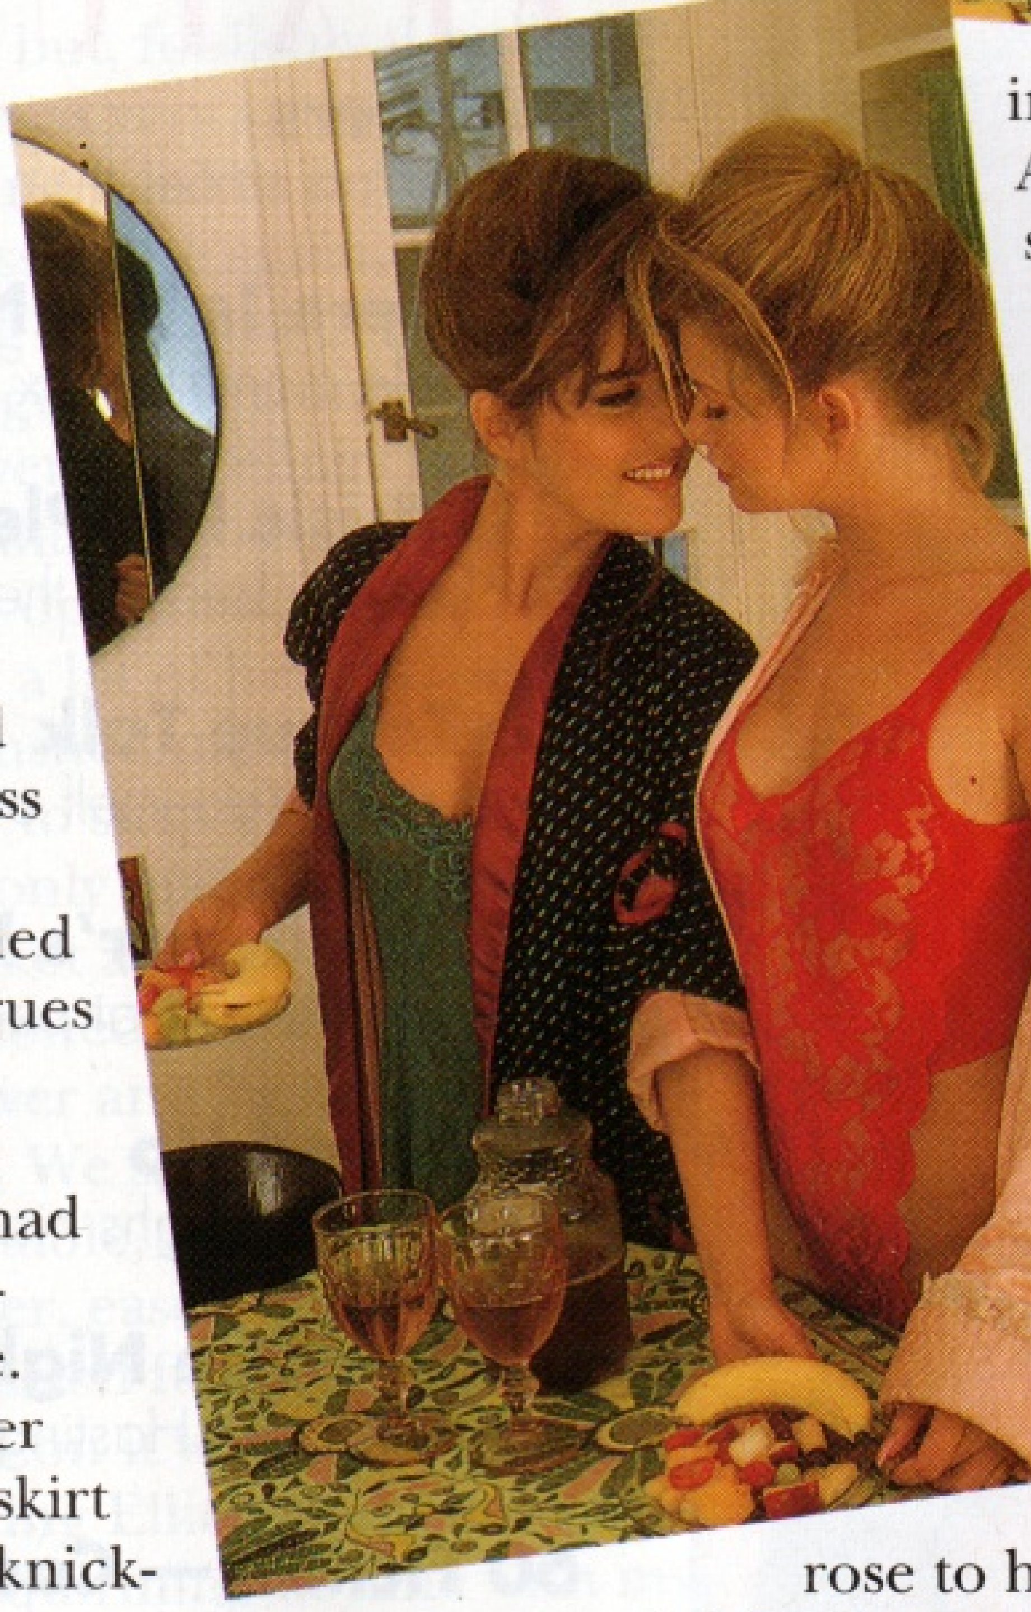
I saw a recent issue of *Mayfair* (Vol 28 No 8) in my local newsagent emblazoned with 'Girls On Girls: The Sexy Secrets They Share In Bed' on the front, and immediately all the old memories came flooding back.

Let me introduce myself to you. My name is Rachel and I am happily married to a wonderful man called Andrew, to whom I have told all my secrets. I am 31, attractive, with light brown hair. I love feminine clothes, including sexy (but not tarty) lingerie, so obviously I'm wearing stockings under my skirt as I write this!

As I read Quest, I was reminded of all the times when I had had sex with other women. The thing is, in my early 20s I was very AC/DC. Whilst I loved being filled with a good, hard cock (especially being on top, so I could push my tits into my husband's mouth) and enjoyed going down on men so I could savour a mouthful of warm, creamy spunk, I also adored another woman's tongue on my pussy.

All this is history now, because I haven't felt another woman's touch for more than five years. My hubby Andy was shocked when I first told him of my past, but he was so turned on I thought I'd tell you as well!

Emma was the first, and we had just turned 18 and were chatting in my kitchen one day, and inevitably our conversation turned to sex. One girl we knew had a boyfriend called Darren and she had told us about how she had taken his cock in her mouth and sucked it until he had ejaculated over her face and down her throat.



We were so turned on, we kissed each other on the lips, under the pretext that we wanted to know what it would feel like to kiss a boy. Our mouths opened and our tongues mingled as I began to feel sensations I had never experienced before. Emma put her hand up my skirt and into my knickers.

"What do you think it would feel like to have a big, thick cock up here?" she asked, fingering my pussy. "Shall we find out?" I grinned. I looked around the kitchen and found some carrots, a cucumber, some courgettes and a bunch of bananas. We spent all afternoon sliding them in and out of our tight little cunts, and it wasn't long before I licked Emma's juicy crack for the first time. It was my first taste of real, lesbian love-making.

Sarah was my next lover. She worked in a supermarket where I had a Saturday job and was a mature 25 compared to my inexperienced 19. One day we were in the store room, getting stock down from a high shelf. I climbed the ladder first, unaware that she was looking up my skirt. I couldn't reach the boxes, so she went up the ladder to try instead.

As she moved up I saw right up her skirt, and saw that she was wearing stockings, but no knickers! She looked down, our eyes met and I started juicing up down below.

As she climbed down the ladder I put one hand on each ankle. She continued to descend and my hands rose to her knees and thighs, her uniform rucked up until I faced her bare bum, which she stuck out while opening her legs a little. My tongue went straight for her honey-pot and I noisily lapped up her love juices. She turned to face me and we kissed while I fingered her, quickly pumping away until she came all over my fingers.

Then there was Elaine and Alison, my first and only threesome. They worked in an estate agent near to my supermarket and I bumped into them during my lunch hour once in the most bizarre circumstances. I was taking a stroll along the service road at the back of the shop when I heard giggling behind the fence. I peaked through and saw these two girls kissing passionately.

Without even thinking, I stepped into the courtyard.

Twenty-one-year-old Diana Sampson felt so sexy in her authentic seamed stockings and creamy suspenders that we had to stop her getting too carried away and laddering them! "This outfit reminds me of those films about Yanks in Britain during the War.

"I guess in those days I would have had to do a few favours to an American pilot to get my hands on a pair of nylons like these though — not that I would have minded!" laughed the perfectly formed blonde. "In fact I reckon if I'd been around then, the sort of favours I could do a guy would have got me a whole branch of Knickerbox!"

Recession-hit hotels have found things difficult of late, with some chains even offering free towels in an attempt to entice travellers into their boudoirs. But hip lifestyle mag *Esquire* may have come up with a winner; your very own scantily-clad celebrity to plump up your pillow, run your bath and rub you down! They claim hotel rooms bring out the exhibitionist in a girl, as John Stoddart's pictures for his new book prove. Now what was the address of that hotel again...?

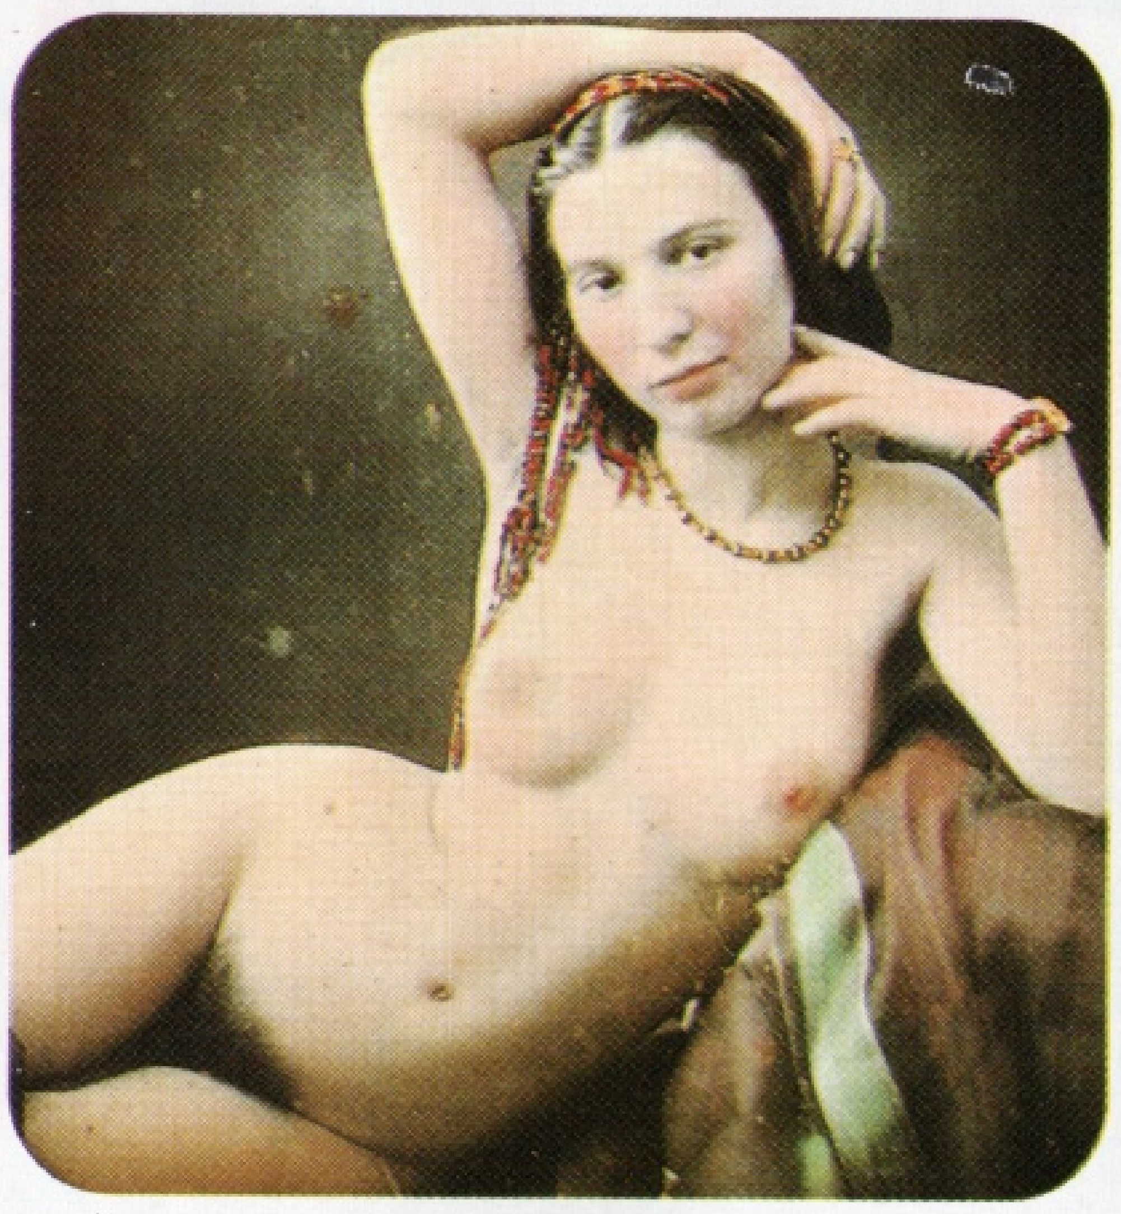
THE BAD OLD DAYS



Just when your grandad had got over the first one, *The Second Illustrated Anthology of Erotica* arrives, giving lie to that old chestnut that "it didn't happen in our day." Well, judging from these early examples, it's not that it didn't happen, it's just that we probably would have preferred not to if the women looked anything like this lot! Still, the 160 page hardback (£17.50) is crammed full of coital capers, and attempts to dissect what it is that makes us all get a lift out of this thing called SEX! A good read, but if you need a book to answer that one, then we reckon you're in trouble!

You won't find any of this gubbins in IKEA, but if your taste veers towards the more erotic end of the furniture spectrum (?!!), then check out *Eroteak*, finely made play furniture.

However, if you haven't got your own dungeon to put it in, *Eroteak* assures us the pieces can be incorporated into existing decor. Yeah, if you shop exclusively at World of Leather! Prices start at £30 for a carved dildo, but if that's furniture, then we're a girlie's gusset!

MUFF DIVING

Is it real — or is it Mam-orex? That's the question everyone's been asking when confronted with the latest trend in sexy swim suits. Well, all we can say is we wouldn't advise you to wear one of these down to your local pool! For, despite the genuine zip-up front, the cossie on this dripping model amounts to little more than a lick of paint! And, as closer inspection reveals, there's little even the best body painter can do to hide a her pubes. Perhaps due to this hairy problem, men's paint-on bathing trunks are not yet available... Ⓜ

A CARPENTER

Brian Clough may have elevated Nottingham Forest to dizzying heights, but delightful Notts native Joanna Carter has managed to instigate an even bigger rising right across the country. After the 19-year-old's curvaceous form was tempted into the centrefold position of our Vol 28 No 6, the *Mayfair* in-tray has been bulging with rousing choruses of approval for the girl's undoubted talents.

"That's really sweet," she smiled when informed of the news. "I'm so happy that *Mayfair* readers are as happy about my modelling as I am. I think they'll love these new shots as much as the last set, don't you?" With bottom, boobs and bits like yours, there's really no question?!

Elaine and Alison tried to look composed and innocent, but soon we were all embracing passionately in a tangle of legs and pussies and lips and tongues.

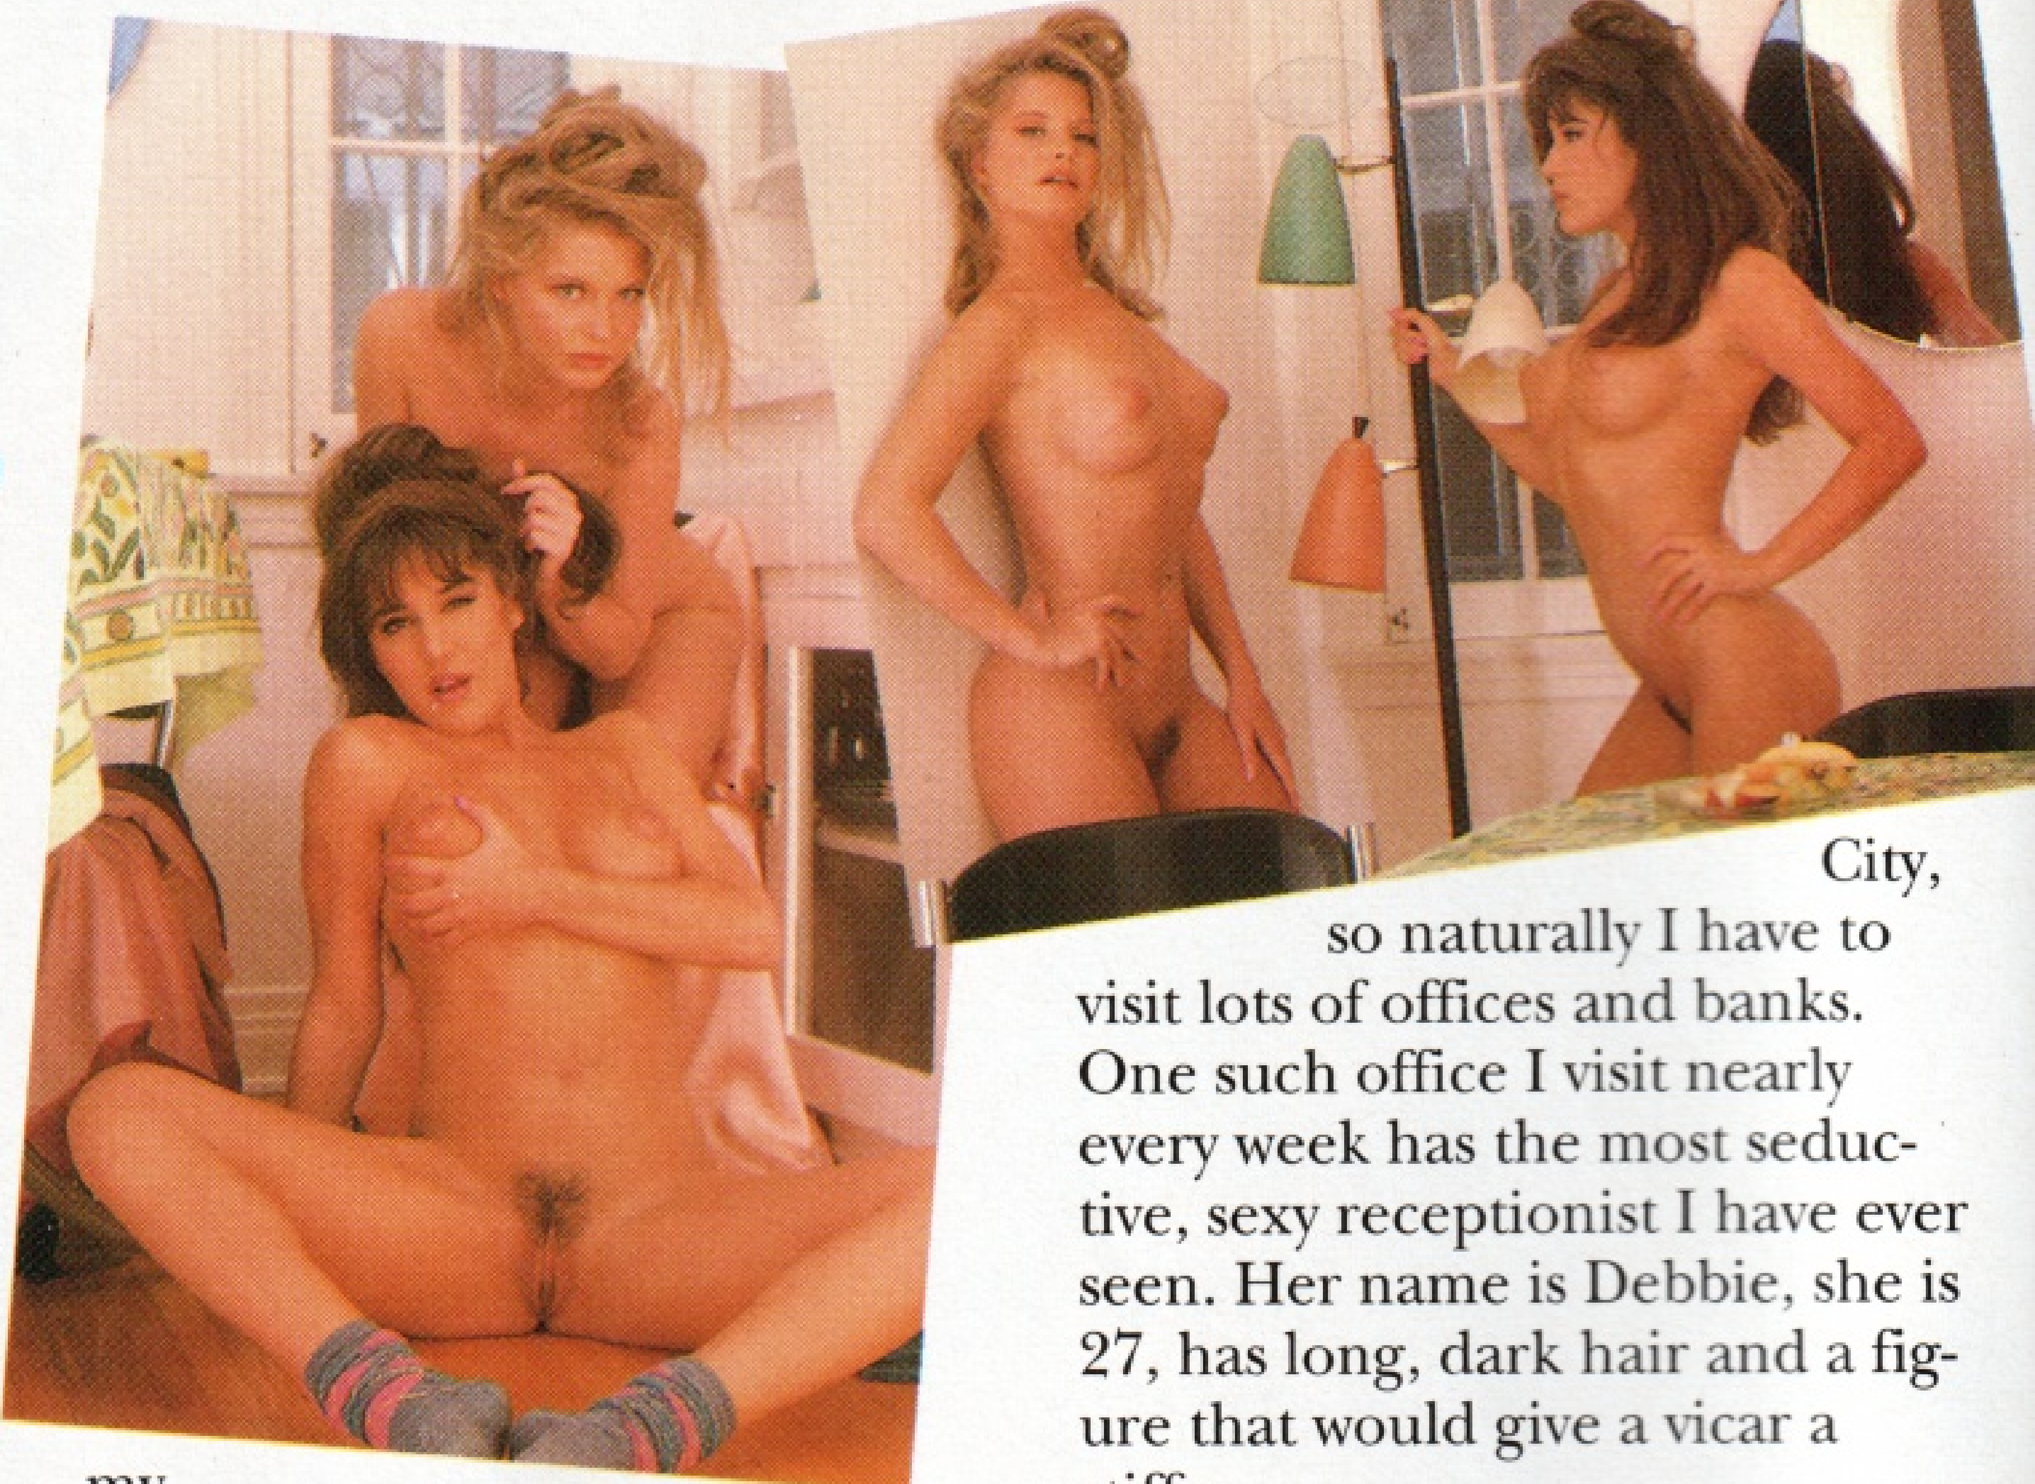
The girls shared a flat together, and as I got to know them better I was let loose on their numerous dildos and vibrators. They also had a strap-on dick which I loved using — both giving and receiving. There was no stopping me!

A year or so later I changed jobs and ended up sharing an office with a lovely woman called Tracey . She was a busty girl about two years older than me, who seemed to be screwed by a different man every night. She would tell me all the details the next day and was particularly excited when one night she had a threesome. "This woman went down on my pussy — and it was wonderful!" she laughed. She said she hadn't thought about women before, but wouldn't mind trying it again sometime. I offered my services, went over and kissed her full on the lips there and then. No shame!

After breaking the ice like that, things were brilliant. We had so much fun in the office, flashing at each other, sitting at our desks with our skirts around our waists and legs wide open. Our boss was a horny old sod, so when we had to go and see him, we would whip our knickers off first and deliberately bend over just to tease him! And when a hunky visitor left, one of us would pull up her skirt and masturbate for a few strokes, saying "So, you won't be staying for a shag then!"

There were others too, and all in all I have made love to eleven different women. I must admit I've always had an urge to make it a round dozen and there is a girl where I'm working with now who has got me so horny I can't concentrate on my work.

I have seen her nearly naked at my gym, but I'm not quite sure if she fancies me. But when I get round to persuading her that she does, you'll be the first to know! — Rachel, Buckinghamshire



RIDING TO WORK

I used to think that all the letters in *Mayfair* were made up but after what happened to me last week let me assure any doubting Thomases out there that things like this really do happen!

I work as a courier for a document carrier company in the City, so naturally I have to visit lots of offices and banks. One such office I visit nearly every week has the most seductive, sexy receptionist I have ever seen. Her name is Debbie, she is 27, has long, dark hair and a figure that would give a vicar a stiffy.

Anyway, one day I went to the office where Debbie works to pick up a delivery. As I had been going to this office quite often over the past few months, Debbie and I had become good friends.

Well, this day she showed me some clothes she'd just bought, and as she held them up to show me I said it looked OK (an unbelievably tiny white mini-dress that had my mouth watering), but I'd have to see it on her to "er, fully

Looking for the most beautiful girls in the world is easy – if you know where to look...

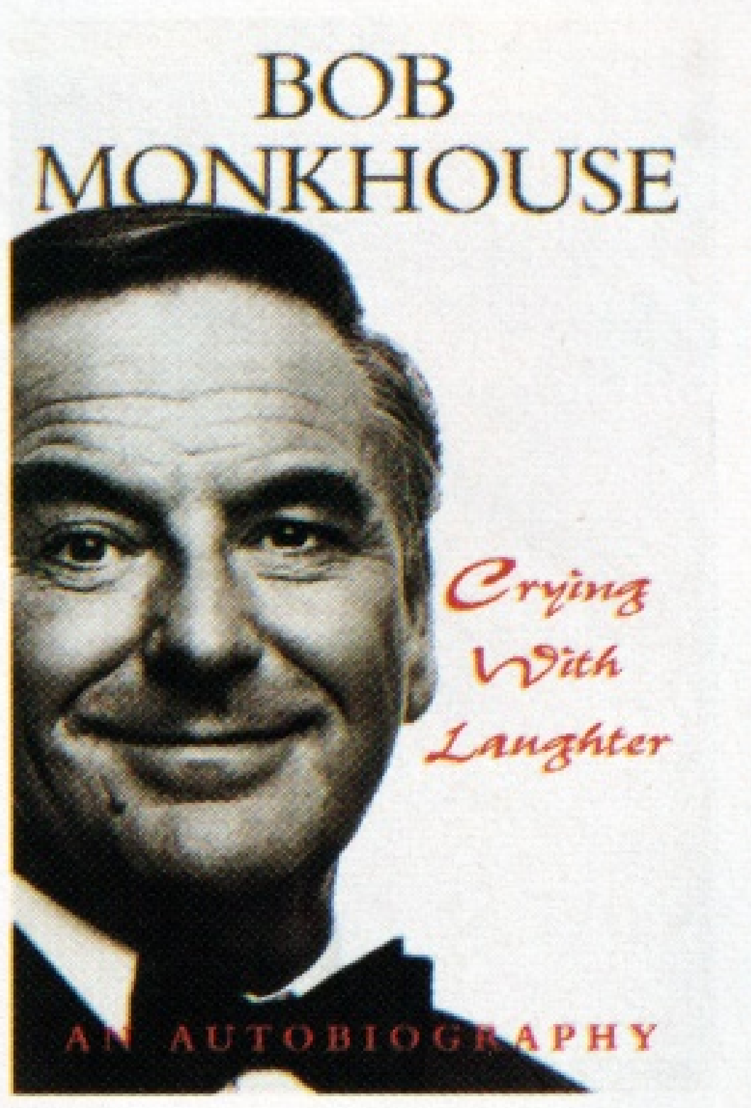
Gorby's Girls **(Svetlana and Raisa amongst others with less obvious names) actually rip them off in Red Square and Raisa uses her officer's training uniform as a starting point! What would the cagey comrades in the Kremlin have said? Fewer red faces in *Fantaisies* as the action is mainly indoors, but still plenty of Russian dolls dropping their barriers.**

An interesting gimmick, I suppose. You can always say you're buying it for political reasons. Personally, I swing to the right, but that's a secret between me and my tailor!

OPPORTUNITY KNACKERED



A nice story (one of many) from Bob Monkhouse's autobiography, *Crying with Laughter* published recently.

Back in the days when Bob said *Opportunity Knocks* he travelled the country attending numerous auditions. One was in a freezing cold hut near Glasgow, and as ever thousands of hopefuls passed Bob and his producer, all looking for their big break. One of the most unusual was a Scotsman who appeared on stage starkers except for a rather grubby pair of undies and socks who then sang *I Who Have Nothing*!

Both Bob and his producer were so bemused, they had to take him to one side after the show to ask why he had formed the act.

"It's satire," he said, "but your Stage Manager spoiled the whole thing. He made me wear the pants. It doesn't work with the pants. I'm supposed to be totally naked, that's the point. *I Who Have Nothing*. Get it?"

"Well I'm sorry if you think the pants ruined the act," Bob said consolingly. "But I don't think you would

MUSIC FOR PLEASURE

Getting a girl to slip between your sheets this Christmas can be as easy as slipping on a Roger Whittaker CD. Not!

There's one thing every guy should slip into his back pocket before he cruises the Christmas booze-ups for a seasonal shag. No it's not a packet of three, but an LP of shagging music.

Even when you've got the girl of your dreams cuddling up next to you on the sofa, unless you're the type who can talk a girl out of her bra, you'll need all the help you can get to take things further. This is where your mood music comes in; slap on a Slade LP and all you'll hear is the slam of the front door as she leaves; pop on a Prince CD and she'll be eating her Christmas dinner out of your pants before you can say 'saxophone solo'.

David Lake of Shiny Music has come up with one solution to the problem of aural stimulation in *Red Music*, described as 'a soundtrack to love... sensual sounds to create an atmosphere for lovemaking'. Unfortunately, sensual sounds may not be what lights her fire, so we've compiled the essential Top Ten of Music to Screw To. Don't bring one home without it...

2. Just Another Way To Say I Love You – Barry White The soul singer with a voice deeper than the North Sea, Barry could charm the knickers off Brooke Shields. Sweeping strings put L-O-V-E on the menu and she'll be chomping on your yule log the second this hits the turntable. Shag Rating: 9

TORQUE TALK

Hugh Laver *kits himself out in the latest self-build sports car for the novice's chase at glorious Goodwood*

Camaro ZL-1: 635hp, 9.4litre, V8, untouchable super car

If the mere mention of the term 'Kit Cars' conjures up images of tinny little bangers rattling along on an old Mini chassis, shaped something like a 70s Matchbox toy in a desperate attempt to be futuristic, then think again.

For now LR Roadsters have produced what has to be the most dynamic kit car ever, the RAM *SC*. The car is built upon the same specifications as the famously fast AC *Cobra* (same suspension, same chassis, and a choice of V8 Cosworth engines, 4WD etc) but has the advantage of being much cheaper, as it comes in either kit or half-built form. I took one for a spin around the race track at Goodwood and found the *SC* to be just as good fun as the real thing, if a little slower on the straights. Prices start at £14,000 (compared to £68,000 plus for an original AC) which must be a bargain for the seriously sporty amongst you. For more information contact Jeremy Fraser on 0386 793361.

The RAM SC: Fittest, fastest Kit Car on the market?

Now, unless they've been too busy bombing off somewhere in one of their numerous *Clios*, even 'Nicole' and 'Papa' must have noticed that in the world of motoring SPECIAL LIMITED EDITION means the manufacturer has stuck some stripes down the side of a bog-standard car and is aiming to sell as many as possible before the buying public cottons on.

There are, however, exceptions to this cynical practice, and Renault's *Clio Williams* is one such example. Launched to commemorate their long and fruitful association with one of the most successful of modern F1 teams, it's a vindaloo version of the hot 16v *Clio*.

With a distinctive metallic dark blue paintjob, gold alloy wheels, 150bhp, a close ratio gearbox and lowered suspension, it's good for 134mph — but hurry. Only 300 of the beauties will be sold over here.

And talking of the continentally exotic, Colin Burnham's latest book, *La Car* (Osprey, £9.99), focuses on America's well-known love affair with the automobile, particularly its tackiest, over-the-toppiest and most tasteless manifestations. Chockful of stretched VW limos, gold-plated Caddies, kool-kroozin' kustom kars, and screamingly-quick street racers, it proves that not all Californians are the sort of yoghurt-eating eco-wankers who hum mantras on the bog and think electric cars are quite hip.

Renault's Clio Williams: Limited edition, unlimited sex appeal

Which they aren't now actually, as a rather embarrassing incident at the recent Solar & Electric 500 Race at Phoenix, Arizona has just proved.

American 'Classics': Over stretched, over priced, but thankfully over there

Apparently, the world's most environmentally-friendly race had to be stopped when one of the leaders crashed, fracturing his state-of-the-art electric car and its zinc/bromine battery. The highly toxic contents vapourised after hitting the sun-baked tarmac and the resultant poisonous cloud lead to the circuit being cleared and the driver airlifted to hospital along with more than a dozen others.

Nice try, but as any hot-rodder will tell you, when push comes to shove there's no substitute for cubic inches. What they mean, of course, is that there's only one substitute — even more cubic inches. That's why Chevrolet have just wheeled out the Camaro *ZL-1*. Giving greens the finger once and for all, they've trashed the standard 5.7litre and installed a tasty TDM-tuned 9.4litre V8 which pumps out 635horsepower and 675lbs ft of tarmac-creasing torque.

There are no plans to sell it in the UK yet, but if you want to know just what an accelerating *ZL-1* feels like, imagine having sex with Michelle Pfeiffer on a cliff edge in a high wind, drinking six pints of strong coffee and getting shot out of a cannon all at the same time. Ⓜ

ANORAK

Fun-filled fact finder **Duncan Bisc** *has the answers to all the questions you had no intention of asking*

Hullo again. Got some really interesting crackers for you this month. For example, did you know that despite all the regional variations in dominoes in pubs up and down the country the domino table itself can easily be recognised wherever you go by its slightly raised edges which prevent the pieces falling onto the floor?

And did you know that chalk, or calcium carbonate to give it its proper name, is an extremely porous stone but when juxtaposed with a soft, impervious material such as clay, escarpments are formed like

GARDENER'S WORLD

*You are never alone with a friend, but as pub philosopher and fair weather philanthropist **Gary Gardener** finds out, there are times when you really wish you were…*

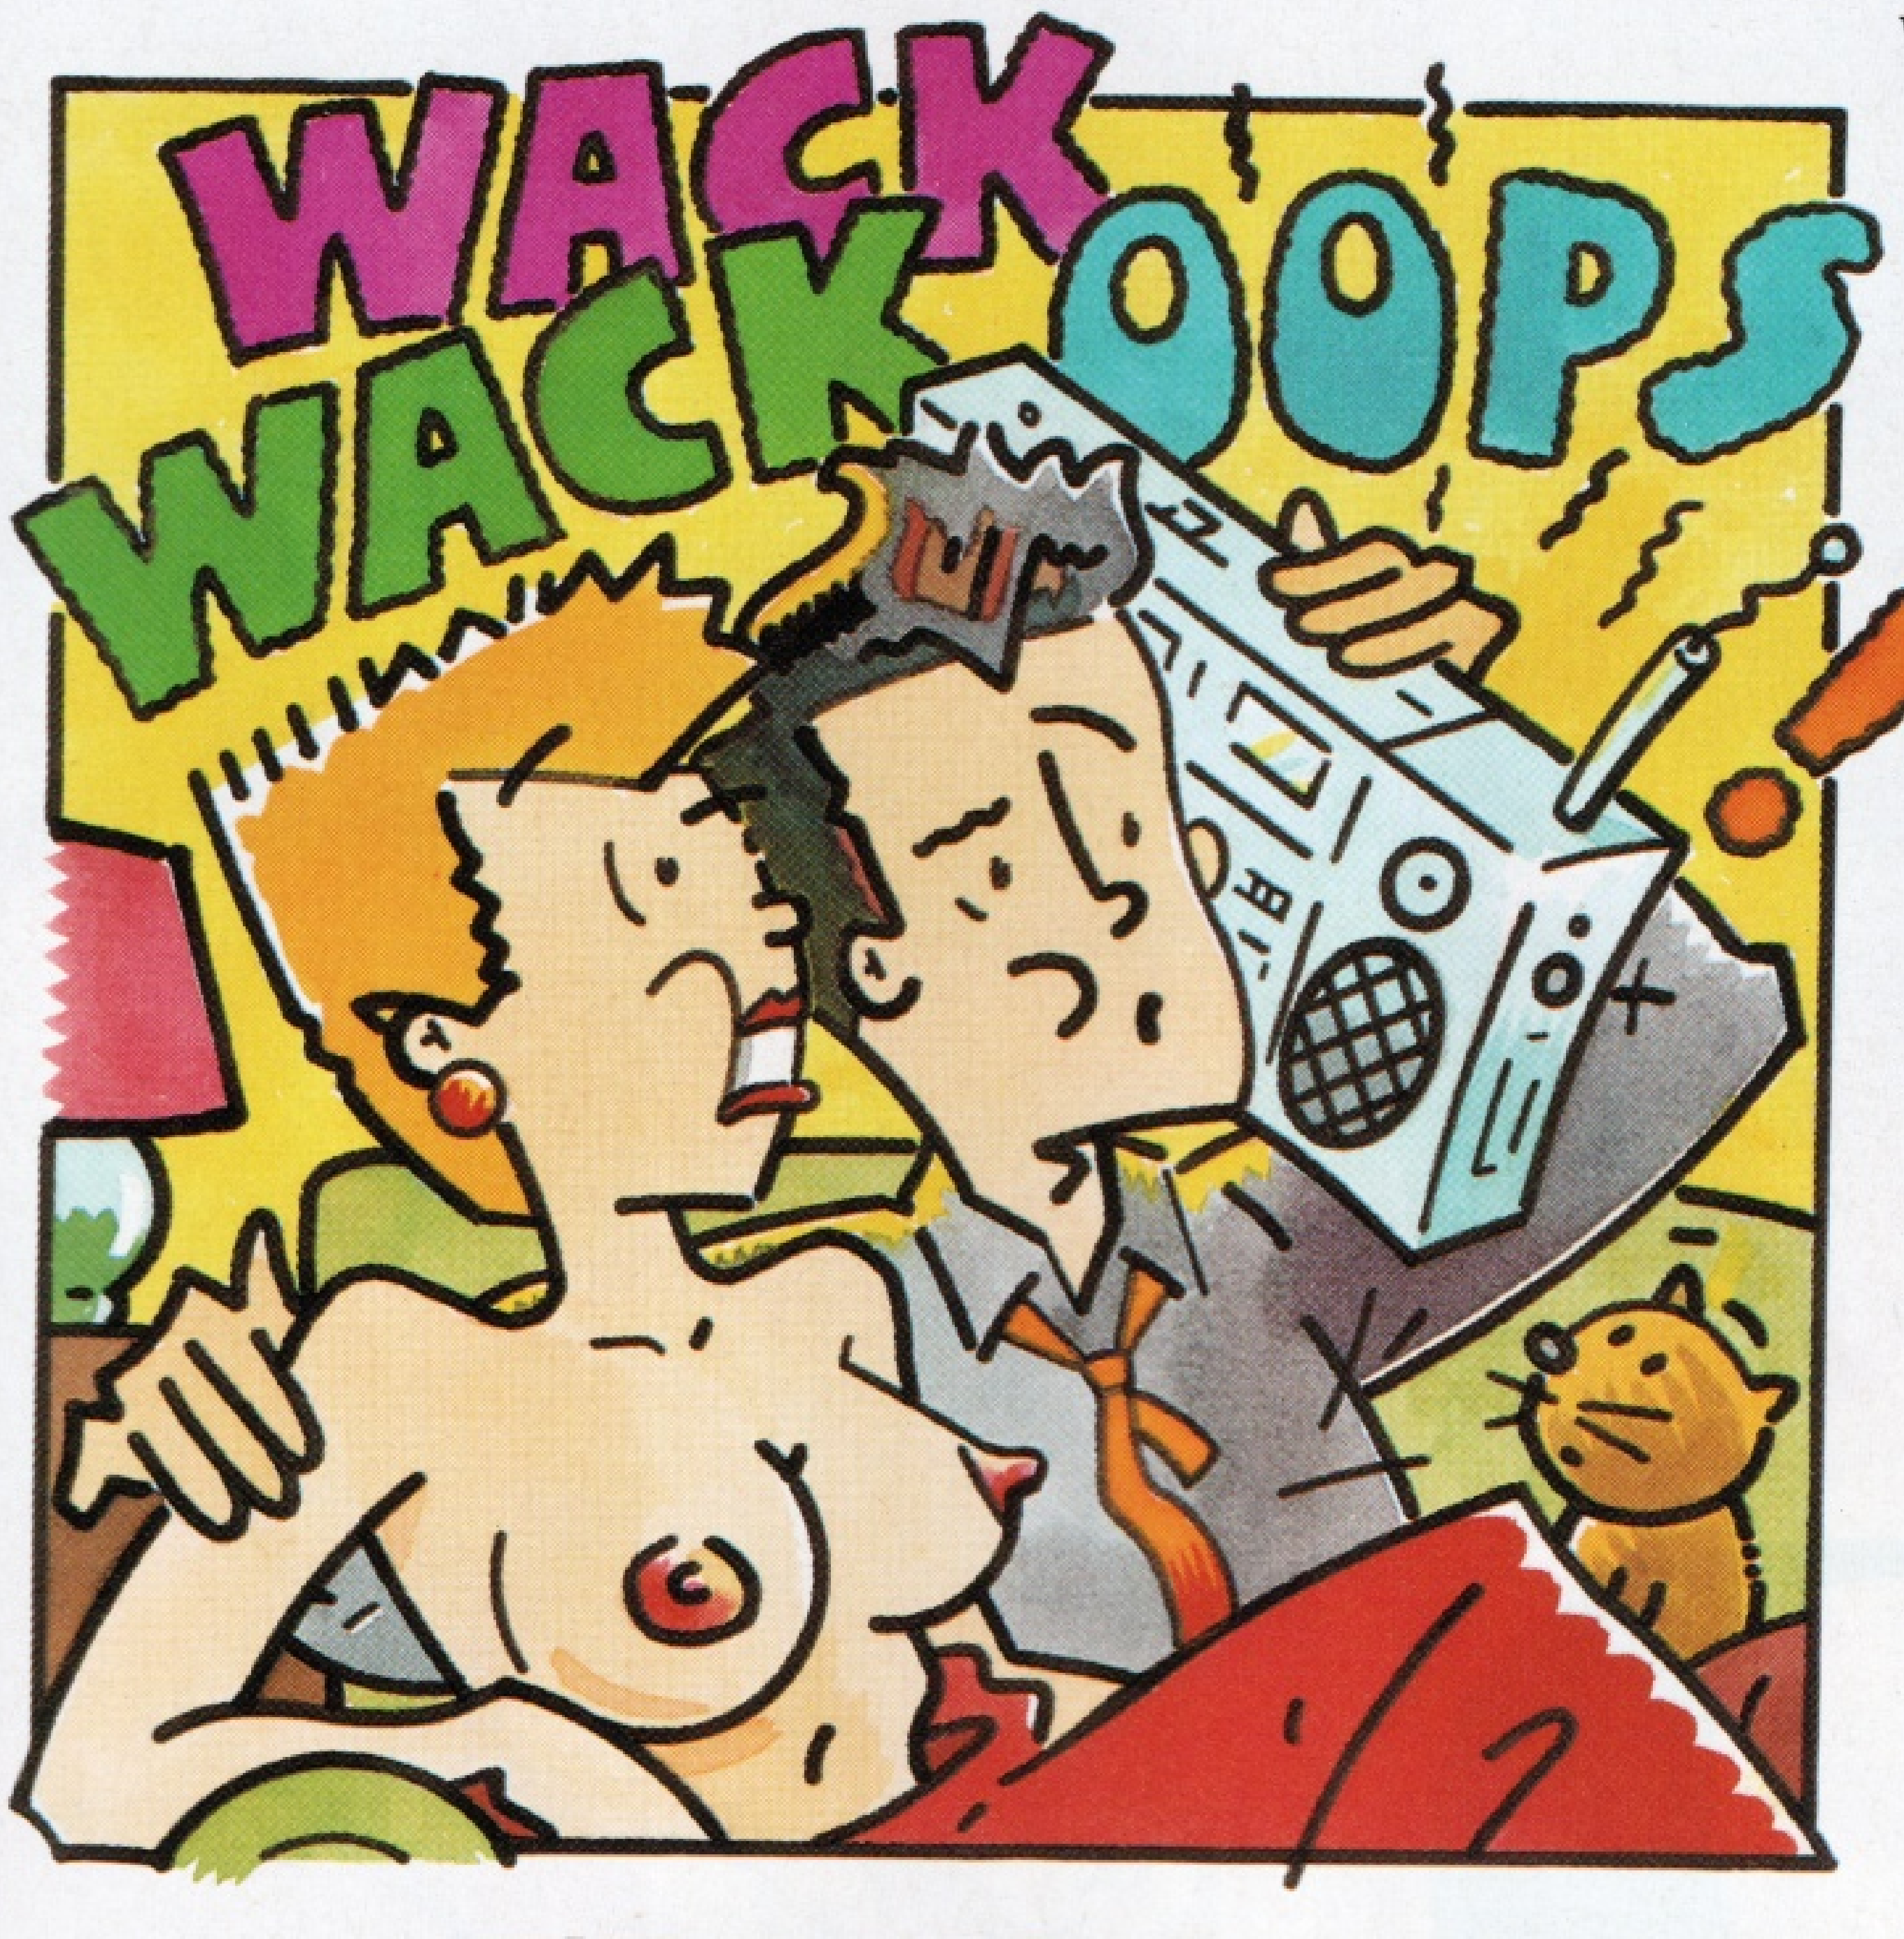
FUCK OFF JERRY

I first met Jerry in a pub. He was going out with a friend of mine. We made small talk, very small talk, the sort of microchat you squeeze out when you realise that you have as much in common with someone as, say for example, Michaela Strachan has with Professor Stephen Hawking. Only less so with Jerry. Yet within five minutes he was my best mate. Arm around my shoulder, offering to buy me a drink and be Godfather to my children — the ones that haven't been born yet because the girlfriend I don't have isn't pregnant.

For the next week the man I'd never met before in my life was suddenly everywhere I went — the pub, gym, train station, high street, toilet. I was enjoying a nice quiet cafe fry up when out of nowhere Jerry's face appeared at the window, inviting himself in. He was the last person in the world I wanted to see. It's not that I dislike the bloke, you understand. It's more that I fucking hate him.

He is one of those people who try too hard, who want to be everybody's friend, who end up being the sort of person you want to punch, not invite to lunch. The sort of people that weedle their way into your personal space. People like the boring old fart in the office, or telephone salesmen, hare krishnas, the bloke who always talks to you on the bus, lonely old ladies in launderettes, jolly shopkeepers who go on about the weather and Volkswagen Beetles.

I used to drive a Volkswagen Beetle and other Beetle drivers would flash their lights and wave at me when I drove past. I refused to participate in this game. I don't know these people from Adam or indeed Eve, but they assume that because I drive the same make of car as them, we have something in common. Can you imagine if someone who was wearing the same shoes as you suddenly started waving at you because you share the same taste in spoon-toed stacks? Or if you got slapped on the back everytime you bit into your Mars Bar because, hey, they've just had one too.



WACK WACK OOPS!

DJ's are another intrusion. I can't say I was sorry when Dave Lee Travis resigned on air, probably because I, along with millions of others, wasn't listening. But every now and again, I would accidentally tune in and that irritating "Wack Wack Oooops" jingle would resonate round the room and then my head for days. I never invited Dave Lee Travis into my life so I can't say I'm sorry he's now out of it, just like I never invited Jerry.

These people are life's dog turds. You spend your whole time trying to avoid them, but no matter how careful you are, sooner or later you're going to bump into one and when you do, they'll stick to you. And they are a bugger to get rid of.

Why don't the people that I want to get to know ever force themselves on me? The girl called Nicole who keeps nicking her dad's car in the Renault adverts, any of the women in any of those awful plugs for shampoo where they've "just stepped out of a salon", the teacher with the short dark hair and tight Levi's from *Home and Away*, or Lucy, a former workmate with a peach of an arse and a rich father who has her in line for a large sum of filthy lucre when she gets married? We go for drinks after work, have a laugh and a flirt and it's obvious I want to go to bed with her. But it never goes beyond that. She has never invited me to a barbeque, to a party or to come back to her place to watch a video. She has never forced herself drunkenly upon me or come round and knocked on my door at two in the morning. Oh but Jerry has. He thinks we are now somehow related because, stupidly, I bought him a pint. I have bought Lucy a whole off-licence during the time I have known her, but we have yet to exchange tongues, let alone any body fluids.

On many occasions, when I'm not at work, I have sat down and worked out a plan whereby I tell her exactly what I want. In my plan, I will phone her up and say, "Lucy, listen. What I'm about to say is something that I've had on my mind for a long time. And it's this: I fancy the pants off you and what I'd like to do is the next time we go out for a drink after work is to shove a few high octane cocktails down your neck and then invite you back to my place to do rude things to you." Whereupon she will say, cool as you like, "OK. That's fine by me." I still haven't plucked up the courage to do this, much like I haven't managed to tell Jerry how much of an unwelcome twonk he is. But, even then, telling the truth wouldn't guarantee he'd get the fucking message.

Jerry's problem is that he is not only thick, but thick-skinned. There's a scene in *The Life Of Brian* where Brian is pursued by a pack of worshippers, convinced he's the new messiah no matter what he says. Then, in the end, out of sheer desperation, he turns round to them and says, "Look, just FUCK OFF!" There's a moment's silence then someone from the ensuing mob cries, "How shall we fuck off, O Lord?".

Well if Jerry's reading this, this is how he should fuck off: AS SOON AS POSSIBLE. Ⓜ

those found on the north and south Downs and the Chilterns?

And did you know that herring spawn twice a year, laying their eggs on the sea bottom in shallow water, and take two to three weeks to hatch? Also, did you know that when herring are salted and dried they become bloaters, but when they are salted and *smoked* they become kippers?

And did you know that country dancing has survived in England largely due to the founding of the *English Folk Dancing Society* by Mr Cecil Sharp in 1911 and that the dancing itself can be classed under two categories A) social, when performed as a pastime, and B) ceremonial, when performed by selected dancers to mark a special occasion?

Didn't think you did. Still, see you next month... Ⓜ

Penny

PHOTOGRAPHS BY JACK HARRISON

With the possible exception of Rory Bremner, we don't think anyone has ever made a better impression than perfect Penny Simms. Since her appearance in *Mayfair* Vol 28 No 10, slipping out of a pin-striped suit in the hushed surroundings of a gentlemen's club, the mischevious 18-year-old has attracted hundreds of admirers and has been stopped several times in the street. "Yeah, stopped from having a good time!" purred the smooth-skinned sex-kitten, as she rolled around on her father's bed. "I met a guy who said he'd enjoyed seeing my pussy in Mayfair but when I offered to give him a peep at the real thing a policeman said I was causing a public diturbance and moved us on. Still, we were in my local supermarket at the time..."

appreciate its style."

To my surprise she said that her boss had gone home, so without another word she went next-door and soon returned with her new outfit half on.

"Will you zip me up?" she said, turning round. I obliged without hesitation. I just caught a glimpse of her white bra, knickers and suspender belt before the zip was up. She turned around and gave me a twirl.

"You look beautiful," I said, laughing nervously. "But it's what's underneath that counts..." Debbie turned around, grinned and beckoned me to follow her.

When I entered the room she was just stepping out of the new dress, and what I saw was stunning. A white half-cup bra was just holding in her 36Ds. Her slim waist was wrapped in a lacy suspender belt, which in turn was holding up sheer white stockings. Her panties covered a dark brown bush of curly pubes and she turned and pulled them up between the cheeks of her firm, smooth bottom.

My cock was rigid in an instant and Debbie traced a finger down the bulge in my shorts.

"Well, that's no good to anybody in there," she grinned, and promptly pulled them down to let my cock flick out. Debbie then sat back on her desk, pulled her panties to one side and began to slowly wank herself.

"Wouldn't you like to fuck me?" she asked, leaning back on the desk. I was over to her and sliding my rigid tool into her wet snatch in a second, her nipples springing up hard every time my balls slapped against her bum cheeks. We were soon at it like animals, pumping away so hard Debbie was sliding slowly across the desk, papers going everywhere as I got nearer to coming.

I'd wanted to make love to Debbie for so long and she looked so beautiful just lying back there, eyes closed and wet lips parted, that I couldn't hold myself back. I'd never felt so much relief in coming before. I arched my back and pushed right up inside her as my cock spurted its hot spunk into Debbie's tight, wet pussy. When I finally calmed down and my load began to drip down the inside of Debbie's long, slim legs, she opened her eyes and grinned.

"Right, now it's my turn — eat my pussy!" Straight away I had my face between her legs licking her swollen pussy lips and flicking her clitty with my tongue. It took me a good ten minutes of

STAND UP

*He's crap, but he's cheap, so put your hands together for **Mike Stand***

My girlfriend asked me if I ever thought of anyone else when we made love. I said, no. She said, "Well try thinking about me for a change".

She said she'd only had two orgasms during our entire relationship. That was news to me. I said, "Why didn't you tell me when it happened?" She said she didn't like to phone me at work.

That's why I left her. I went to America looking for work. I got a job as a gigolo. My boss said that I would go out with older women and they would pay me in exchange for sexual favours. I misheard. I thought he said sexual flavours. My first date paid $100 for a brie and anchovy sandwich. I would have got more, but she turned her nose up at the scampi fries.

My next date was with Elizabeth Taylor. I stood her up. She fell down again. She told me she was worried about her friend Michael Jackson. She said, "Michael's just not his old self." I said a lot of people had noticed that, but apparently it was iust some cream he had to put on for a skin condition.

The following night I went out with a woman who was obsessed with her weight. She was on a cellulite diet. Unfortunately, the restaurant we were in didn't serve it. Instead we went to a dieters' get-together. It was a group of about 20 women. They were having a cheese fondle party. That's like a cheese fondue party except instead of cooking the cheese and eating it you just pass it round and touch it suggestively. I was caressing a nice piece of camembert when the hostess came up. She said as I wasn't overweight could she offer me a cheesey dip. I said I'd prefer it if she took a bath first.

Soon all the women took to discussing the various diets they were on. There was the Scarsdale, the Cambridge, The Hip and Thigh and so on. I said had any of them tried the Millwall Diet. They asked what that involved. I said, you eat what you like and beat the crap out of anyone who says you're fat.

Afterwards, I escorted my date home. She invited me in for coffee. We sat down and she indicated a plate of tiny biscuits. She said, "I just can't not eat these". And the little biscuit said "Oooh! A double negative! A double negative!" They were extremely petty fours.

The woman asked me if I'd ever had past-life therapy. I said I had back in London. This therapist hypnotized me and apparently in a past life I'd been an amoeba. It was terrible. I was this tiny, shapeless, sexless, spineless creature pointlessly drifting along in life. I.told my girlfriend. She said, "So nothing's changed then."

My date was greatly moved by this. She dropped to her knees and fixed me with a smouldering look, "You have the sensitive soul of a poet," she cried. "Help me burn off some of my fat!"

So I went to the kitchen and set light to the chip pan. Thanks, goodnight, God bless, take care etc.

clare

For someone who normally appears in magazines putting clothes on, we think 18-year-old Clare Black has made a pretty good job of taking them all off. For the tall and slender London girl is one of Britain's top fashion models, commanding huge fees for a photo shoot or catwalk show. But, bored with showing off designer labels, Clare came to us and asked if she could show off her rather naughty designer body. Of course we were only too happy to oblige and the result must be one of *Mayfair*'s classiest ever set of pictures — not that Clare noticed. "As long as men fancy me I don't really care whether I look classy or not. Afterall," laughed our pretty debutante, "I like my boyfriends to touch, not look!"

this treatment before she grabbed at her boobs, pinching her large dark nipples, and began to shake and moan as her orgasm took over her whole body. Her juices were dripping off my face as she kissed me.

Then, sliding off the desk, she put her damp panties in my top pocket as a souvenir.

"Let's keep this a secret between you and me," she whispered, giving me a peck on the cheek and a pat on the bottom before sending me on my way.

Well, before I knew what had happened I was back on the street and riding off for another delivery, still a bit dazed. So chin up fellas, you never know when a sexploit like that is waiting round the corner ! — Justin, South London

BACKSTAGE PASS

I could quite easily throttle photographer Jack Harrison for his pictures of Penny Simms in Vol 28 No 10. Thanks to his decision of dressing that beautiful Penny up in a dinner suit I had a lot of explaining to do to my girlfriend.

You see, myself and Gill had settled down to read your magazine when I saw Penny smiling out at me in her dinner jacket, bow tie and silk undies.

Straight away my dick sat bolt upright and I very nearly made a mess of the bed sheets. Gill's face was a mixture of puzzlement and fury that I should have been aroused so quickly, but I just said how sexy she was looking that evening. If I had told her the truth she would've hit the roof.

Gill is great in bed and very uninhibited, but she hates it if I talk about other girls I've been out with, which in this case is justifiable, as the truth behind the pictures lies in an incident that happened just after I had started dating Gill.

I was president of my college's student union, and was asked to direct our end-of-term review.

One of the 'actors' was a gorgeous girl called Ellie who, rather like Penny Simms, had this innocent look about her, but was secretly a bit of a raver.

Like most students I tended to be guided by my cock and whenever I encountered Ellie I felt a stirring down below. I managed to resist her obvious charms until the dress rehearsals came.

Ellie played a number of parts in the review but one particular sketch involved a bit of cross-dressing, and Ellie was required to dress up in a man's dinner suit.

The moment I saw her in that suit my cock very nearly burst through my jeans. She looked

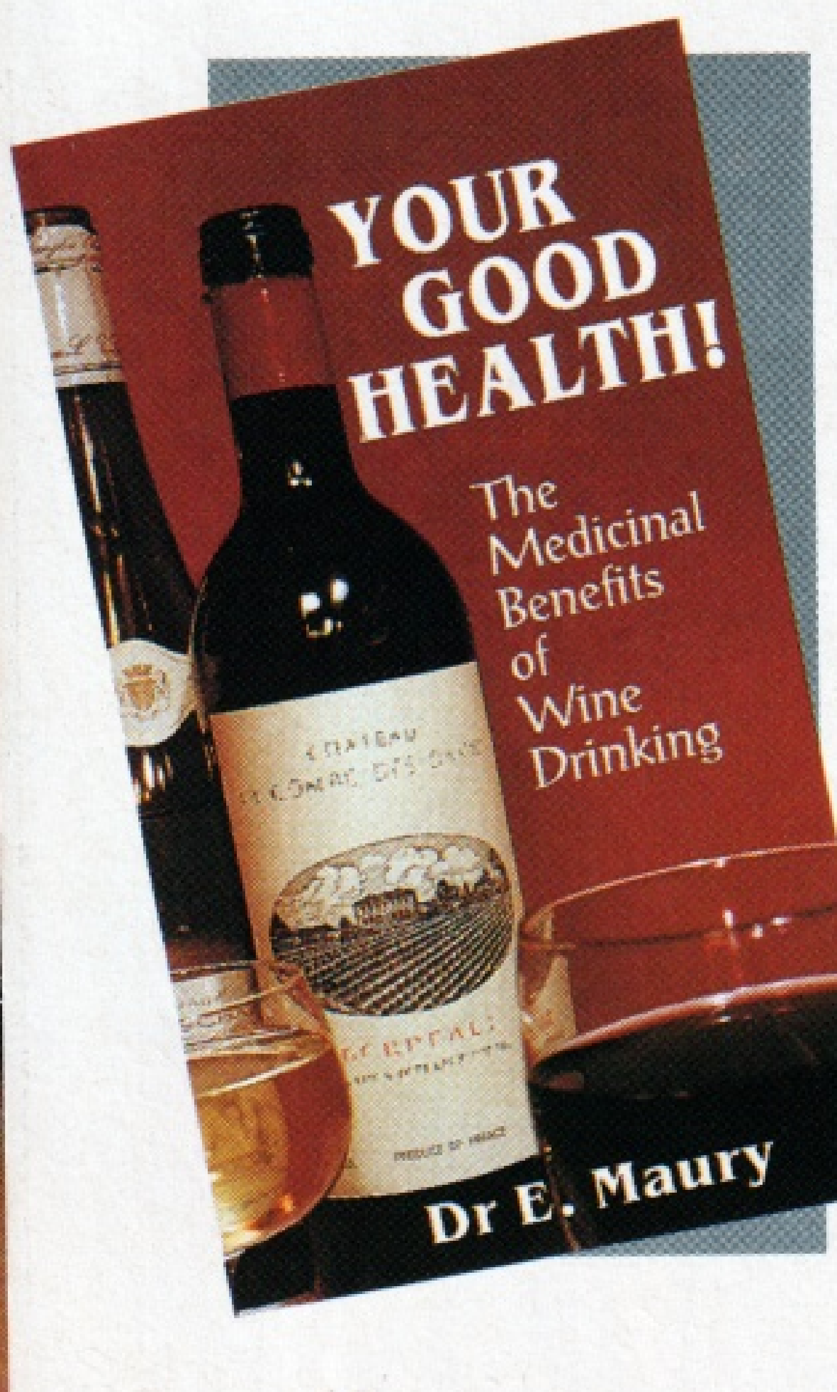
STUFF

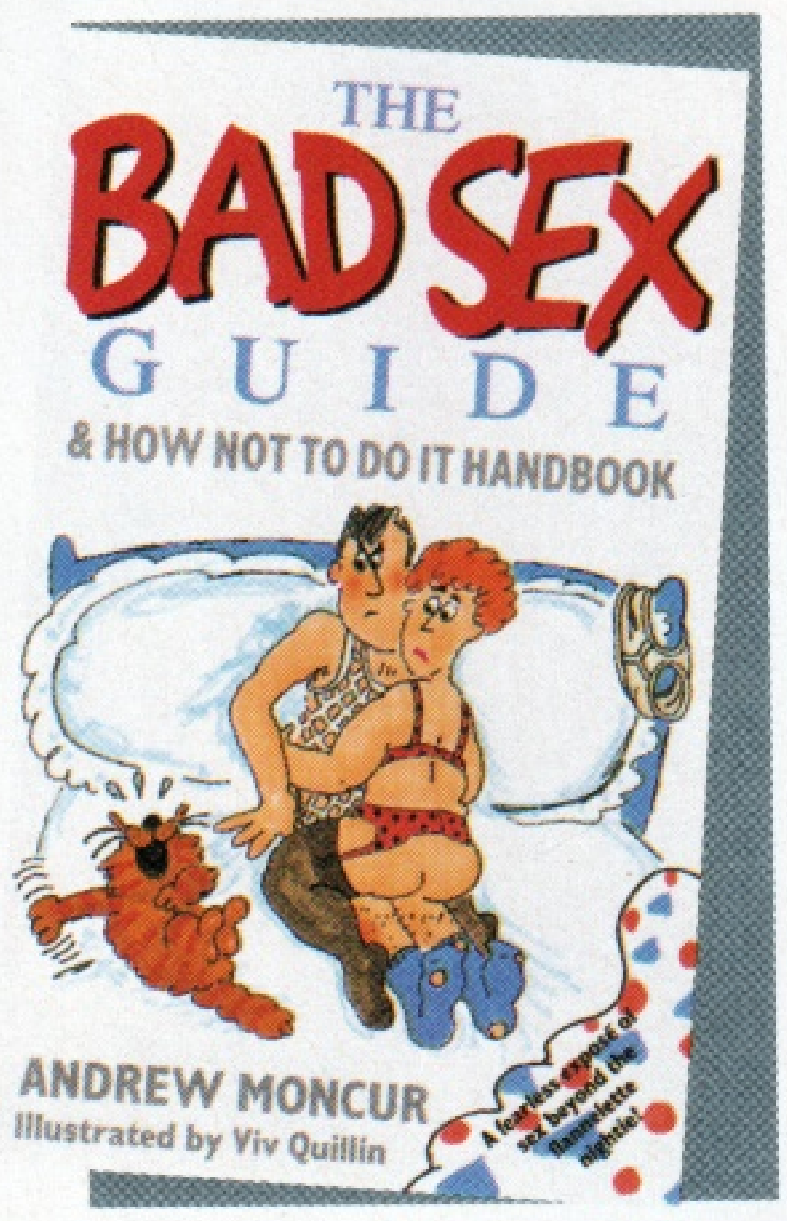
You'll never get through yet another Christmas without...

Finding out that all that plonk you're knocking back by the gallon is actually good for you!

This wonderfully reassuring claim is made by author Dr E. Maury in his book *Your Good Health!* (Souvenir Press, £9.99), who apparently believes that, depending on the type of wine you drink, you can cure yourself of anything from hypertension, constipation and urination right the through to getting shot of cellulite!



Shame he doesn't have a cure for the hangover you'll get afterwards.



Having a bit of a giggle at *The Bad Sex Guide* (Guernsey Press, £4.99) by Andrew Moncur.

Aimed at all us mortals fed up with sex manuals full of good-looking, stamina-stuffed girls and illustrations that even a contortionist couldn't manage without crying, the *Guide* gives us all the sort of advice we really need.

There are chapters on where not to do it, when not to do it and who not to do it with (like people in anoraks or anyone called Hannibal).

All in all, quite good fun and *terribly* reassuring...

Super models

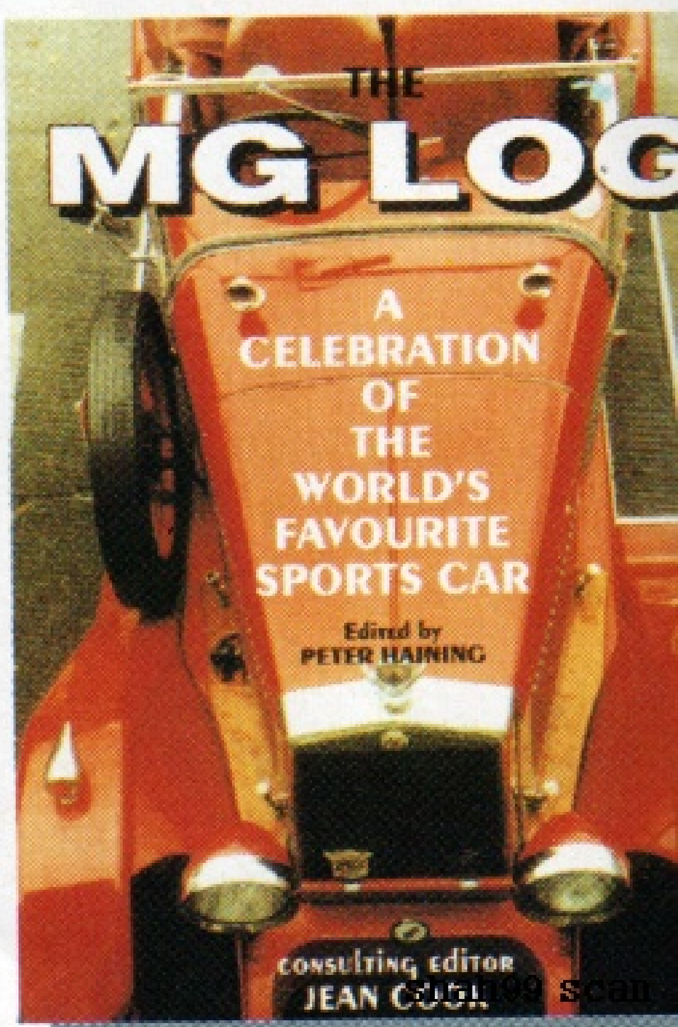
Unwinding with *Supermodels — The Film.* Available from any video outlet, this hour long 'documentary' follows five of the world's most beautiful mods (Naomi, Cindy, Linda etc) as they pout their way around the streets of New York in a charmingly mini mal amount of leather and fishnets. Shot in blac and white.

Flicking through *The MG Log* (Souvenir Press again, £15.99). Or maybe you will.

A fact-packed hardback that cover the entire history of our most famous sports car, but unless you're an MG nut this book will be as interesting as watching a turkey roast. Ⓜ



World Exclusive!!

Maria Whittaker

Mayfair has quite an enviable tradition when it comes to getting the most beautiful girls to take their clothes off, even if we do say so ourselves. But this time we've really put the icing on the Christmas cake and give to you the best present we could think of — Page Three's biggest star, Maria Whittaker, COMPLETELY NUDE!

Millions have seen her incredible boobs, and some have even spied her bum on these very pages. But never before, anywhere in the world has anyone (except her boyfriend, of course!) set eyes on her full set of naughty bits! But now you can...

PHOTOGRAPHS BY VIV THOMAS

So proud were we that the world's best-loved model chose *Mayfair* to reveal all her charms for the first time, that we took her on a spending spree to London's poshest shops to choose the underwear she would most like to take off. Typically of the friendly 24-year-old, Maria spent much of the day signing autographs for passers-by and, in particular, a gang of builders in Knightsbridge. "They were great fun!" said a smiling Maria. "I love blokes like them. Without their support where would I be? And let's face it, with boobs like mine I need all the support I can get!"

What a girl! But the nude exclusives don't stop here — there's a stunning surprise in next month's *Mayfair* too. So don't miss it!

GIRL OF THE MONTH

MARIA

For One

What makes girls go on one-night-stands? Desperation, or do they actually prefer it? Our reporter *Jayne Hastings* **has been hanging out with the rude crowd...**

Cas is dressed in a short leather mini, a wonderbra that makes her tits look like a tray of melons and the sort of heels you need scaffolding to clean. She's standing in a decidedly sleazy South London disco eyeing up the men.

"Nice arse on that..." she mutters to me. Not the sort of remark you expect from the wife of a solicitor based in Dulwich village. So what is Cassandra B———— doing in a downmarket disco staring at blokes' bums

"It's my night out," the 28-year-old says, her refined voice reappearing briefly. "Geoff has the golf and the club. I like being a tart and picking up anyone I can!"

Doesn't Geoff mind?

"Well no," she says, suddenly looking thoughtful. "You see, I know that if he was away at a conference or having a night out with his colleagues he wouldn't be able to resist it if a beautiful bimbo came on strong, so why shouldn't I have some fun too? So long as we both know, it's not a problem. Mind you, I don't need the sex. Geoff is brilliant in bed and can always bring me to orgasm — I even enjoy sucking his penis — it's proving to myself that I can still be attractive, still be a bit of a tart I find appealing. To lose the ability to flirt or the need to would be awful!"

Up in Liverpool, Sadie, 20, knows exactly why she prefers one night stands to a steady relationship.

"I like doing it with different bodies," she said matter-of-factly. "Tall men, fat men, hairy men, they're all different and that's what makes sex fun. Then, of course, there's their, you know, cocks. Slim shiny ones, fat brown ones like cigars, knobbly ones like tree trunks, they all feel different inside you. I couldn't bear doing it with one man night after night, always knowing what it would feel like and what he'd do.

"Cos that's another great thing — everyone does it differently! Some take so much care, you'd think your fanny was an unexploded bomb — which it can be sometimes! Others hammer at you like they're knocking fence posts into a rocky field! I like it all ways. It depends how the mood takes me. Imagine knowing "Now he's gonna kiss me tits, then he'll fiddle with me fanny, then he'll slide it in. Bor-ring!"

> **"I've got a bigger selection of naughty condoms under my bed than bloody pairs of boots!"**

But isn't picking up different men each night "asking for trouble" as my Mum would have said.

"You have to be careful, sure. Most guys are like me, out for a laugh, but you get a few nutters who either won't take no for an answer or fall madly in love with you and want a relationship. I tell everyone right from the start, 'This is a giggle, right, no ties, no relationship, just a Saturday shag'. It usually works. And as for you-know-what, I've gotta bigger selection of condoms in my bedroom than bloody Boots!"

Not all one-nighters are that happy about it. Take Sandra from Luton for instance. She lived with a guy until she was 26 (about five years) when he suddenly walked out, leaving her alone.

"I was totally lost at first," the attractive 29-year-old told me. "I just stayed indoors and cried a lot. Then I thought I had to pull myself together and start looking for a new man. The only place I could think of was the local club, and I was a dismal failure there. Then somebody suggested placing a personal ad in the paper.

"Well my social life certainly picked up. I had fifty replies and ten seemed quite reasonable. However when I met them it was obvious they were only after one thing. So, I was after that 'one thing' too so I let a couple of them take me to bed. Guess what? I never heard from them again!

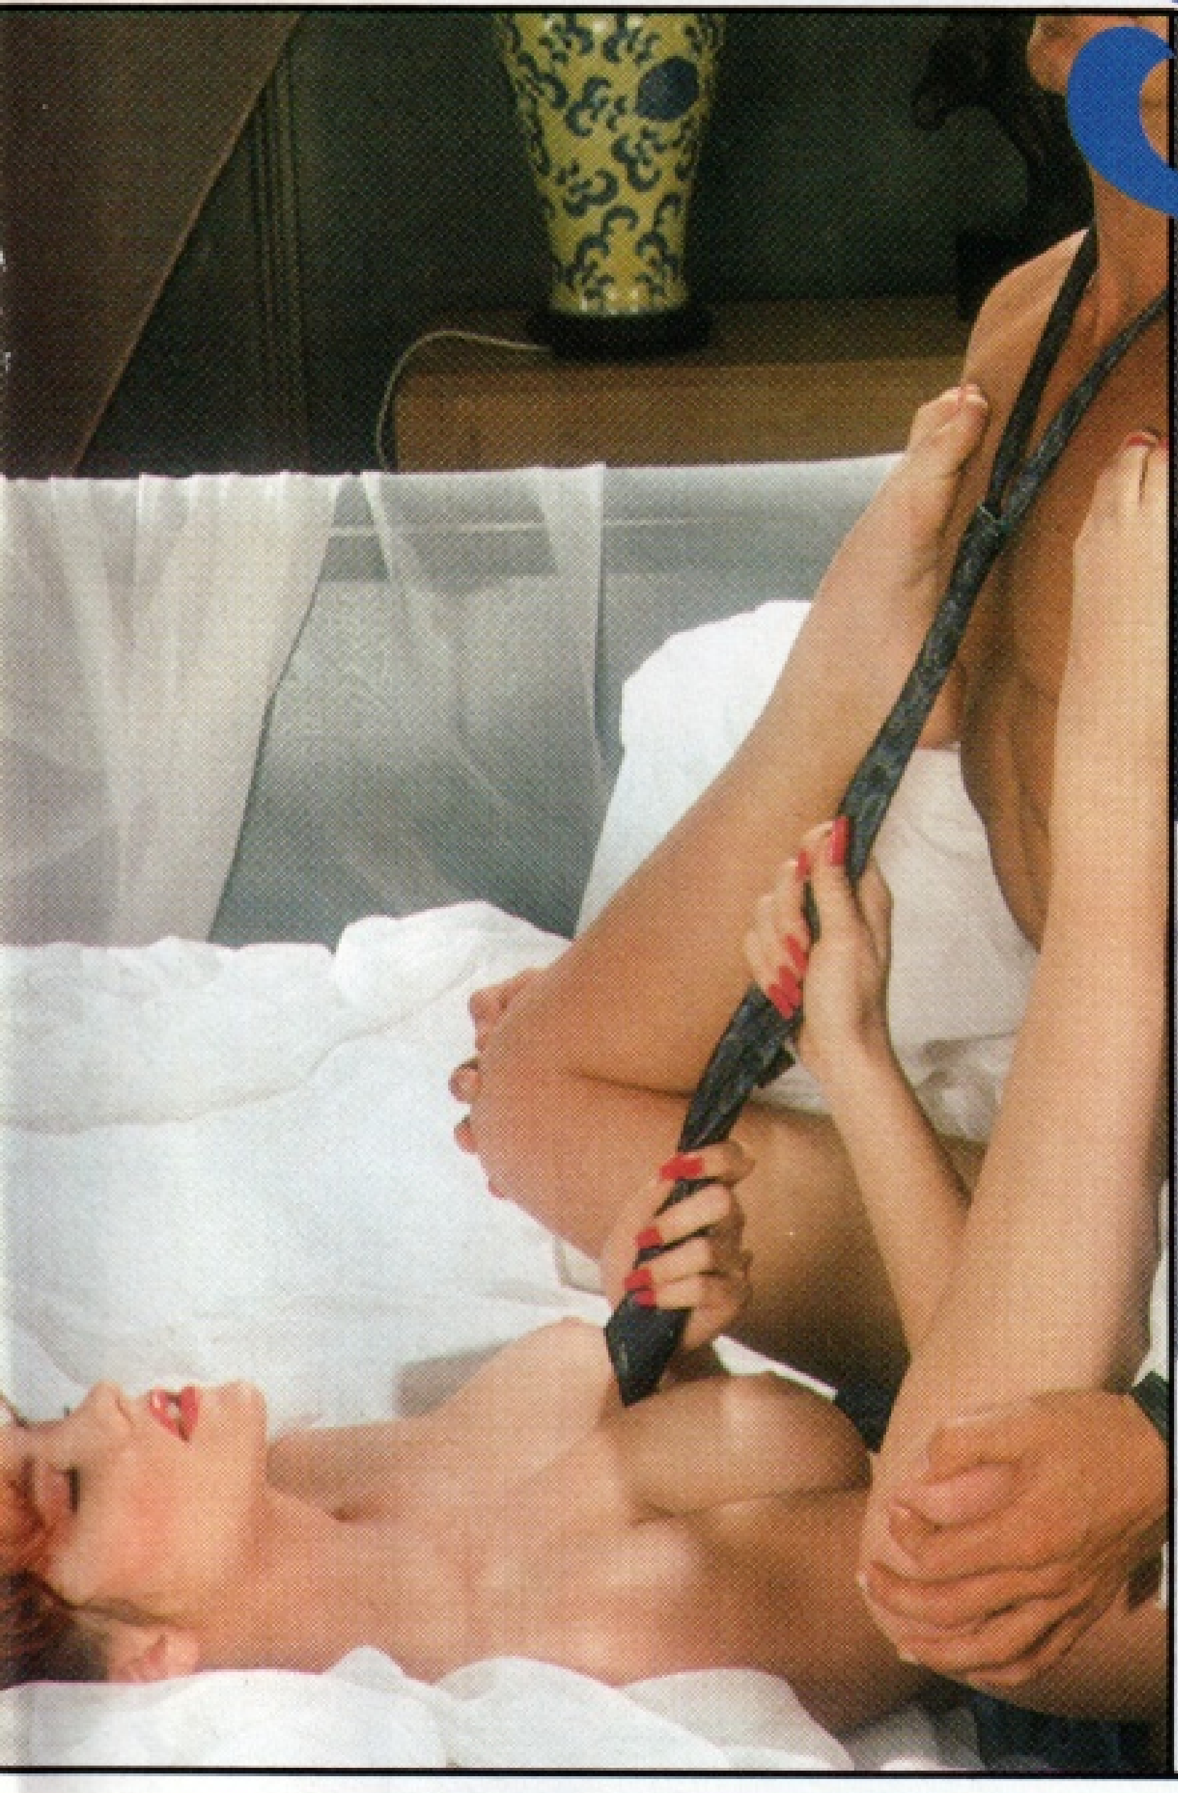
"Now I don't think I'm that bad a screw, and in a couple of cases they had me coming fit to bust so I reconciled myself to the idea that the only way I would have sex was with a series of different blokes for one night at a time. Not really what I wanted but until I find a man who I fancy having a relationship with, it has to do!"

My conversations had given me the impression that one night stands, far from being the evil that everyone claims, are perfectly acceptable so long as everyone understands the rules and condoms are available by the wheelbarrowful. So why not give it a go?

"Well, you'll have to dress a lot more tartily than that for a start," was Cas's advice. "Remember these guys are only going to get one chance to buy the goods, so you have to put them on display, darling!"

So I went back to Paul Raymond to borrow some kinky gear. A pair

Night Only



of Julia Roberts thigh boots, black lycra skirt and low-cut top is not my usual work outfit, but marketing is marketing.

Tottering back to see Cas I asked what was next. Do I chat them up or them chat me?

"Chat? Look, you're not finding a friend for life here, just a good fuck for an evening," Cas scolded. "just look out for a half decent fella and start dancing with him. If he takes an interest, go for it!"

I did as she instructed. Well, almost. So many of the men who looked like they might be my kind of guy revealed themselves to have a smile like a burnt-out fuse box or the dancing skills of Brains from Thunderbirds. Finally I found him — Mr Right (for the night!).

We danced together for a while and then came a slow one. He took me into a Big Daddy clinch. His hands were on my bum feeling their way up my skirt and even trying to get into my knickers. Normally I would have slapped his face, but as Cas said, "When you've only got one night, you've gotta cram a whole load of seduction into an hour!"

To be fair, his movements were slow and quite sensual. His palms felt nice on my firm buttocks, though I wasn't quite ready for him to go up top yet. A break in the music. A chance to sit and talk.

"Chat? Look you're not finding a friend for life here, just a good fuck for the evening!"

His name is Keith, he's a salesman and he's only in London for the night. An ideal choice. His hand rested on my thigh as he talked. I had grown used to the faster pace by now, so followed suit. His trousers began to bulge. We finished our drinks and danced some more. His hands started to caress my boobs. I was okay with that...

Suddenly he suggested going back to his hotel in Croydon. For the first time, I wondered if this was the right thing to do. He might be a maniac. He might want to beat me. He might just be a lonely guy looking for sex in the only way possible with his job.

"You can't have first night nerves on one night stands."

Cas's voice echoed in my brain as I heard myself agreeing.

The trip to the hotel was fine though checking in made me feel as cheap as the pen holders in reception. Even though it was my decision, I still felt like a slut. Still, the lift's here now...

The room had a mini-bar and away from the disco fever I found Keith was actually a very nice fella. His smile was pleasant and frequent, his eyes bright blue and his fingers notably short of rings. This wasn't going to be the hardship I imagined.

Instead when he kissed me, my mouth opened naturally, letting his tongue explore as I did the same. He slipped my boobs from their wonderbra. His hands felt gentle yet firm and my nipples soon perked up in response. I undid his shirt, he had a fair-coloured hairy chest — very nice — which my fingers ran through like a wheat field. Looking down, his cock was about to split his polyesters. Strangely I was getting a little damp too.

When he suggested bed, there was no argument. I was turned on and wanted a cock, and Keith's would do nicely. I parted my legs as he climbed aboard. It slipped in as easily as a car into a garage. Considering how worked up he was, he was surprisingly slow and considerate. I was able to feel every stroke as he pumped. It was only at the end that he got clumsy. He came. I didn't. He looked disappointed.

"We'll just have to try again,Jayne," he smiled. Second time lucky, not to mention the third.

By then the alcohol had started its unfortunate effect. I just wanted o sleep and so did Keith's knob. We called it a night.

When I woke at 8.30 he was already washed, dressed and breakfasted. I muttered disappointment. I quite fancied another morning of this.

"Sorry, have to be on the road by nine. Don't worry everything's paid for, stay as long as you like. Bye!"

I know I said I didn't want any ties. I know we agreed it was for one night only. I know we "used" each other just as badly. But I wanted more. I wanted to go for a meal, walk in the rain. Oh shit! One night stands are definitely not for me!

RACHEL

By the time you read this, lovely Rachel Robertson, 20, seen here in her sensuous silks, will be on holiday in the West Indies. Problem is, she'd rather be here with you! "I booked this break ages ago in an effort to meet a few men, but since I appeared in *Mayfair* (Vol 28 No 11) things have gone absolutlely mad. I never thought I would have so many guys after me, wanting to take me to bed and make love to me!

"But just when things have started to get really rude I've got to go off on holiday with my sister."

Don't worry Rachel, we'll keep your bed warm while you're away. Now what was that about a sister...? Ⓜ

CASTING COUCH

When it came to giving an Oscar-winning performance, Melanie believed in getting her teeth into the biggest parts... by Peter Wright

The door looked like any other warehouse back entrance. No sign hung on it, no cars waited outside; but Melanie knew it was the one she'd come to find. Throughout the sprawling mass of the industrial estate, no other door she'd passed had a bouncer leaning beside it.

The bouncer towered over her. His shoulders threatened to burst from his black suede jacket and his thighs braced him up like tree trunks.

"Hello," she said. "I'm here to see Julian – the casting secretary."

"I don't think so," he grunted. "I'd know about any appointments, darlin'."

Melanie smiled inwardly. Without even realising it, he'd just confirmed that this was, after all, a building belonging to a major movie production company, not a double-glazing firm as it appeared to be. Meanwhile the man was trying to gaze nonchalantly towards the distant London skyline, but he couldn't help sneaking glances at her ample cleavage.

Melanie shifted so that the unfastened top of her blouse opened a little further. "To be honest I don't exactly have an appointment, but maybe we can find some way for you to make an exception," she said softly.

The bouncer turned and faced her. His eyes evaluated the firm, round contours of her bum, her flat tummy and slim legs. As his attention rose back up her body, she loosened one last button and held open her blouse, exposing her naked breasts.

"Blimey..." His jaw dropped. Firm, capped in light pink, perfectly tanned and without even a single mole – Melanie knew he'd probably never seen better.

"Um, ah..." he stammered.

"I'll give you a blow-job if you let me in to see Julian," she said.

He glanced to the right and to the left. There was no-one around. He hurriedly unlocked the door and held it open for her.

"Quick, in the cleaner's cupboard. If they find me missing it'll cost me my job."

With a few short steps she reached the spot and ducked in among the buckets, mops and brooms. He squeezed in beside her and shut them in.

Melanie stripped off her blouse entirely, prompting another gasp from her companion. Wasting no time, she knelt down in front of the conspicuous bulge in his pants.

She tugged the zip of his trousers down. His swollen cock emerged into the light of the cupboard's bare, forty-watt bulb.

"Come here, you," she said, and slipped his cock into her mouth.

"Aaaahh," he moaned. Melanie managed a large grin as she greedily sucked on his cock. Slurping a drop of pre-come, she grabbed him by the thick muscles of his arse and pressed him into her face.

Cock nestled deep in her throat, she rolled her tongue around the base of his shaft. In response to her wet probing, his scrotum tightened until his balls rode up high. She massaged one with a finger, the other with her tongue-tip.

He moaned again. The goose pimples on his balls and the trembling of his legs told her it wouldn't take long to make him shoot his load.

She pulled back until his purplish knob peeked out between her lips, set her hand around the bottom of his shaft and moved her mouth up and down his length.

His hips rocked and his breathing intensified. "Oh yeah!" he groaned. A flood poured into her mouth and she swallowed hungrily.

"My, that was fast," she said with a giggle. She squeezed the last drop out and smeared it across her tongue. "Did you like that?" she drawled. "Can I see Julian now?"

The man's intoxicated bliss told her she could have asked for anything at that moment. "Yes," he panted. "Third door on the left."

He pulled his zip up and stumbled back to his post, his knees almost giving way.

Melanie eased back into her blouse, reapplied her lipstick, brushed her hair and made her way down to the casting secretary's office.

This door likewise displayed no name or emblem. Melanie turned the knob and found herself in a functional room that suggested nothing more glamorous than book-keeping ever took place here. Only the white leather couch along one wall hinted otherwise.

A young man with clean-cut good looks jabbered into a phone. He raised an eyebrow as Melanie strode in and settled on the couch. “Can I help you, Miss?” he asked.

“I think so. I've heard the new DeFranco film is being cast.”

He gave her a tired frown. “Have your agent send us a CV. Nobody's allowed to just drop in, I'm afraid.”

Melanie smiled and drew her skirt up her slim thighs. She parted her legs, revealing a wispy, blonde triangle of pubic hair, expertly trimmed to show off every last crevice and fold of her pussy.

“And, uh, we don't do blue movies either,” he choked.

“I know. I save this for behind the camera,” she said, and inserted a finger deep in her slit. “And you can have some of it... if you can get me an appointment with the casting director.”

Julian swallowed and reached down to adjust the fabric at his groin. “I, uh, can't promise that you'd get a part.”

“Just get me in to see him and I'll worry about the rest.” She lost her skirt and blouse and lay back on the couch.

Julian rose quickly, locked the door and began undressing. “Okay, I'll schedule you. But that's all I can do. Mr DeFranco likes things run by the rules.”

“So I've heard. Just do what you can for me, Julian,” she murmured.

What he did for her then was to finish undressing and to lean down between her thighs. He captured her pussy lips between his lips and sucked.

“Yes,” she moaned.

He sucked on her swollen clit and lapped his way down her slit. She squirmed, sliding on the white leather on a thin layer of sweat. As he tongue-fucked her, she ran her fingers through his wavy hair.

“Now I wish we did blue movies here,” he said as he licked up her body to nibble on her tits. Her nipples swelled at the kneading. She cupped her boobs so he could get his mouth around them better. “We could turn you into a star in no time.”

He sucked on her swollen clit and lapped his way down her slit as she writhed on the white leather

“Thanks. I like being the best.” She seized a gulp of air and whimpered in delight as he brought his hips up and plunged his cock inside her.

“Oh, God,” he said. His cock halted, three quarters of the way in and he broke into a massive grin. “You've got the tightest, smoothest little cunt I've ever felt.”

“Of course,” she said. “And it likes to be fucked.”

Accommodatingly, he slipped it in the rest of the way, sighed, and began to hump with long strokes.

She squeezed him with her pussy muscles on every outward stroke. On each inward stroke she relaxed, letting him drive into her without any resistance.

She found her button again and rubbed two fingers across it with small, clockwise strokes. Her fingers blurred, accelerating faster than any vibrator ever could.

Her hips lifted off the sofa inch-by-inch, helped up by well-toned muscles and tight, sucked-in breaths. The closer she approached orgasm, the harder he thrust.

Melanie arched up, derriere a full twelve inches off the leather, and clamped her cunt around Julian's cock. She shuddered, suspended in climax. He cupped her boobs, hung on, and shifted his hips into overdrive.

“Uhhh!” he groaned. As her bum flopped back to the cushions, his warm gushes filled her cunt. She milked him with her thighs, draining his balls of every drop of spunk.

His arms would no longer hold him up. He collapsed and his hard-on jerked with sharp aftershocks.

“So...” she murmured. “Do you think I have a future in this business then?”

“Darling,” he gasped, “you've got a future in any business...”

The next day, Melanie – attired in a well-tailored business dress, hair high up off of her slim neck and make-up artfully applied – drove to a location forty miles out of London, into the Kent countryside. Her destination was a sprawling Georgian building strung with hanging vines that resembled a mortgage company headquarters. Melanie, carrying a smart briefcase, strode up to the receptionist and gave the name of the casting director. “He's expecting me...”

The middle-aged woman behind the desk peered over her reading glasses sceptically. “I'm sure you're mistaken. He never sees anyone on Tuesdays.”

“This was specially arranged.” Melanie produced her best smile.

The receptionist put the call through. Her face evolved from disdain to surprise to annoyance. “He'll see you,” she barked, leading Melanie to a huge inner office.

The casting director was a tall, energetic man in his mid-forties. He made Melanie wait through three phone calls before launching into a staccato barrage of com-

PHOTOGRAPHS BY BOB TANNER

The lucky reader who lives next door to Helen is JC of Taunton, who says he's been prodding her for the last six months — "To be become a model, I mean," he adds hastily. "She's such a beautiful girl and very sexy too." How would he know? "Ah, that would be telling, but let's put it this way. I was very sure that Helen would match up to your exacting standards. I think it was my duty to the readers to keep things up." We're sure it was JC, we're sure it was! Ⓜ

QUEST

LABORATORY OF HUMAN RESPONSE

Just what is it that leads some women to behave in an openly promiscuous manner? And why do men love it so much when they do? Quest talks to three women who admit that they indulge in promiscuous sex, in an attempt to find out what makes them tick...

Quest: How old were you when you lost your virginity?

Miss T: I was still at school, and 16-years-old. I'd had a real interest in sex before that; I was really curious about it, but my first fuck was when I was 16. I was at a party and I'd been seeing this lad for a few weeks, and I just felt that my virginity was something I wanted to get rid of. So I did, simple as that.

And to be honest, the sex wasn't that great the first time, but it left me with an insatiable desire for more. My problem was that I never seemed to want it with the same guy twice in a row! As I got older, to 18 or 19, I found that once I'd had sex with a guy, all I wanted to do was find the next one in line and have sex with him too! I don't know why – there must be something in me that makes me behave like that. I know my Mother told me once that when she was growing up in the 60s, she was exactly the same.

Quest: So you started seeing a pattern to your behaviour: when did you actually identify yourself as being promiscuous? Was there a specific event?

Miss T: Yes, there was. I was out at a nightclub one night with a couple of girlfriends, and we started getting chatted up by these three guys who were in town for a sales conference. They were from London, and were acting really flash, trying to impress us by running up a big tab at the bar, buying us cocktails. Den, Gerry and Les were obviously keen to cop off with us, but my two mates weren't keen because they both had boyfriends at the time.

"Come on, don't be a pair of spoilsports!" I told them. "Because if you two aren't interested in what they're offering, I'll have the lot!"

My mates didn't really believe that I'd do what I'd said I would, but I soon made it clear to the three guys that I was willing to do anything they wanted. When Gerry jokingly suggested that as I was offering, perhaps we could have a gang-bang back at their hotel, his jaw dropped to the floor when I agreed.

"But there's no need to go all the way back there to get it on," I told him. "What about sneaking me into the gents?"

That might sound pretty tacky, but this club is really posh and the toilets are all marble floors, velvet chairs and big mirrors everywhere. Yes, even in the Men's! Whenever I'd been in there, I'd always got a moist feeling in my fanny, looking at all those mirrors and wondering what it'd be like to see myself in them, getting a thorough fucking from some handsome stud... Now I was about to get my chance!

The guys managed to smuggle me inside without anyone seeing – not that I'd have cared if they had – and the memory of the look on my mates' faces when they watched me go off with these three guys was priceless. I was already trembling with arousal as we entered the spacious washroom area: I just couldn't wait to feel one of those cocks inside me – and preferably more than one!

The whole episode happened really fast. I stood with my back to one of the mirrors, and could see my reflection in the facing one as I hitched up my skirt and flashed my pussy at the three guys. I was so moist that my little white panties had become totally see-through, and my clitty was throbbing so hard that I thought they must be able to hear it. I motioned to Den to come forward first: he was the youngest and best looking. I knew his cock would be young and tender, and I wanted it in my pussy right there and then.

He just unzipped his flies and his cock sprang out, the tip all

purple and swollen. Without ceremony, I grabbed his tie and pulled him towards me. I hitched my skirt up around my waist, and then rubbed myself teasingly along the length of his shaft, feeling the veins pulsing as it caressed tantalisingly around my sensitive love lips. My cunt was on fire as I wrapped one thigh around his waist and balanced myself on my other leg, then grasped his cock firmly and pushed it upwards into my aching pussy.

I could hear my own juices squelching as he started to shunt up and down inside me, my hips rotating to meet his thrusts with vigour. At the same time, I could feel the cold mirror behind my back as he undid my blouse and pushed it down off my shoulders to reveal my boobs, which were covered only by a half-cup bra. He feasted his eyes and hands on them as I panted and moaned the deeper he plunged into me, digging my nails into his bum as my pussy walls clung to his shaft and gradually bled him dry of his come.

Of course, Den shot his load copiously and then withdrew straightaway, leaving me not yet satisfied but squirming with pleasure – and eager for a second cock to tunnel its way inside me. Les watched, fascinated, as Den's come started to trickle out of my pussy and down the inside of my thighs... I reached down and pulled off my panties to wipe myself down, catching sight of myself in the mirror opposite. What a tart I looked – and I loved it!

There was also something of a crowd gathering to have a good look at what was going on – all guys, of course, and all eager for a good view of Les's cock slipping up into my snatch. Even though it was pretty expensive to get into the club, the guys were certainly getting their money's worth.

Les didn't stand on ceremony – he launched himself into my cunt with a vengeance. I love it when a bloke fucks me really hard, almost roughly, and Les was certainly pumping away hard enough to squash my bum cheeks almost flat against the mirror. I could faintly hear cheers urging me on, and I must confess that I lost control of myself then, hoisting myself up around Les's muscular hips and using both legs to hold me there, my heels digging into his thighs. I started to come then, giving Les a couple of love-bites on the neck as I did so, straining my neck upwards to ride the climaxes he was giving me.

My cunt felt sore but satisfied after that, but although I was ready for Gerry too, sadly I couldn't have him fuck me to round off the threesome – he'd already shot his load by wanking himself as he stood watching us. He just said he couldn't wait a minute longer, though he would have preferred my velvet-soft pussy to his own right hand.

"I rubbed myself teasingly along the length of his shaft, feeling the veins pulsing"

Quest: What happened immediately after that?

Miss T: I went back out to join my friends, of course! They couldn't wait to hear all about it. I had to go home almost right away, of course, because my legs were feeling like jelly, but that evening gave me the fodder for so many masturbatory fantasies.

And it also taught me that sex like that could be fun, that I could take it when and where I wanted it. I've never thought of myself as doing anything wrong: I just take my pleasure when and where I want it. I've been doing that ever since. But I've never forgotten that evening.

LABORATORY OF HUMAN RESPONSE

PERSONAL FILE

Name… Ms C
Age… 25
Sex… Female
Town of origin… Rainham
Other details… Ms C openly admits that she has made something of a study of men and their sexual habits, using her own good looks to gain experience. An ex-model, she also tells us that she has experimented with lesbian sex too – and is ready to reveal all to Quest to gain her number one

Quest: What is it about taking part in this survey which you find so hugely exciting?

Ms C: I guess it's the fact that anyone might recognise who I am – anyone who knows me, anyway – from the descriptions given and the events I'll be talking about. That's what I find a real turn-on.

I've never had much of a problem getting sex when I want it. I've done some modelling for men's magazines in the past (though unfortunately, not *Mayfair* – so far), and I pride myself on having a really good body. My tits are still firm, and I've stayed the same slim shape since I was 18. People often think I look like Mandy Smith or Farrah Fawcett, with my long blonde hair and tanned skin, and I must say that I take that as a compliment.

I might look as if butter wouldn't melt in my mouth, but nothing could be further from the truth. I love having *anything* in my mouth – especially if it's a cock. I've lost count of the number of guys that I've fucked during my sexual career, but I know it must be more than a hundred. And since I've been turned on to the occasional dabble with other women too, my choice has been doubled.

Quest: You'd describe yourself as promiscuous then?

Ms C: Definitely, and I have no shame in admitting that. I don't know why I should be frowned upon just because I have, as they say, put it about a bit. Men do it, and I think it's only right that women should do it too. I fuck who I like, when I like.

I remember once a couple of years ago, I was working as a perfume saleswoman, which involved doing door-to-door selling. I really enjoyed that as it meant that I had the opportunity to meet loads of men. You'd be surprised how many guys you can find at home during the day while their wives and girlfriends are out working. Every time I put on the little black suit which was my uniform, I'd marvel at the way the skirt was cut so tight and short. I always made sure that I wore a sheer white blouse underneath too, so that my lacy-cupped bra was clearly visible when I took off the jacket, and high heeled, patent leather black shoes, which showed off my legs to perfection. As I've done modelling, I really know how to carry myself off, and I must have looked like every guy's fantasy when I knocked on their doors.

I've had so many sexual encounters, all of them exciting and fulfilling, by working that way, but there was one particular guy that I met several months ago. It was one of the few hot days of last summer, and I was working an area of Kent which is pretty wealthy – large, spacious houses all with long driveways and huge gardens. At this particular house, I didn't expect that anyone would be in, so I was taken aback when the bell chimed and the door opened straight away.

The guy was in his early 40s

> *"I rode him till my pussy ached, then he unloaded his come into my love hole"*

and obviously alone in the house. He smiled and told me that he'd been watching me walk up the drive. "I hope you enjoyed the view," I smiled back, and it was then that I knew I was going to fuck this man.

I didn't even find out his name, though he had my pussy tingling and my nipples hardening in seconds. We made a pretence of doing some business (I think he bought some perfume for his wife and some after-shave), but it wasn't about that really. It was all about how I wanted to reach down inside his pants and draw out his throbbing, hot cock, taking it deep into my mouth and greedily sucking it dry.

It was only a matter of about half an hour until he took me upstairs to the four-poster bed that he normally shared with his wife. He seemed so eager for my body that I stripped off really hastily, throwing my clothes on to the floor as the rising aroma of my moist pussy juice filled the room. He went down on his knees as soon as I was naked, licking at my cunt hard and fast, my juices flowing out as fast as he could eat me. I leaned back against the bedpost and gripped it with both hands behind my back as I lifted one leg up onto his shoulder so that he could tongue me even more deeply.

He certainly knew what he was doing, teasing my clitoris with the tip of his hot tongue just to take me right off into orgasm orbit. It was a long time since I'd been tongue-fucked standing up, but this guy really was the business when it came to oral sex. I hope his wife knew what she was missing as I urged him to probe me deeper with that pointed tongue, grinding my pussy into his face so that he could suck up all of my juices.

Obviously, I had to return the favour to him, but I wasn't getting away with just a blow-job. He wanted full sex – and so did I. Again, he wanted me to take the lead, and stripping his clothes off, he lay back on the bed and stroked his own shaft gently and lovingly, inviting me to do what I wanted with it. I was all too eager, climbing onto the bed and holding my pussy lips open with my fingers, just tantalisingly above his mouth. Then I eased him inside me, and rode him hard till my pussy ached from climaxing, and he unloaded all his come into my love hole.

> "He went down on me as soon as I was naked, licking at my cunt hard and fast"

Quest: What was the most satisfying aspect of that encounter?

Ms C: The fact that, almost straight away and by mutual consent, I got dressed and left. I never even found out that guy's name, but both of us had big smiles on our faces as I walked back up the driveway. I bet he gave his wife a really good seeing-to that night!

It was still mid-afternoon when I left, and I was behind schedule with my appointments. Two stops later was the home of a regular customer of mine, a woman in her mid-30s who runs her own business from home. She looks years younger than her age and is very glamorous, and I confess now that I'd had the hots for her before – and I suspected that she fancied me too.

She was working when I arrived, but wearing only a brief pair of cut-off shorts and a skimpy top. She had the body of a teenager, and she must have seen the pure lust that flared in my eyes, because it was only 20 minutes later that she was undressing me, and I was admiring her smoothly tanned body.

"Your pussy's so wet already," she smiled as she stroked my love lips apart. "Surely that's not all for my benefit?"

I confessed to her that I'd just screwed one of her neighbours in his own bed. The idea of that seemed to really turn her on in a big way: she went down on me immediately, her tongue feeling as if it was on fire as she excavated all my cunt juices, plus the rest of her neighbour's come, from my pussy. I think that was what turned her on, more than anything.

She let me lick out her cunt after that, and I really savoured the taste of her juices on my tongue. And the look on her face as she came... I've never seen anyone lose control in that way.

And the funny thing was that the more stories I told her about fucking my clients, the more excited she became. She flooded my face again and again with her come as I let slip things I'd done. I revelled in being such a slut, and she was loving it too.

Quest: You don't think of the word 'slut' in a derogatory way?

Ms C: Not at all. It's what I am, and I'm quite happy to describe myself that way. Guys love it, and I love it, so that can only lead to mutual satisfaction all round.

Name… Mrs I
Age… 24
Sex… Female
Town of origin… Wigan
Other details… This secretary and her husband have been involved with promiscuous partner-swapping and group sex since they married five years ago. With her red hair, luscious figure and smooth, pale skin, Mrs I is always in demand on the partner-swapping circuit…

Quest: Anyone who operates on the partner-swapping scene must have a very promiscuous sex life…

Mrs I: Yes, you're right in saying that. But it's not in a bad way; it's just people enjoying each other's bodies and loving the fact that they've made the choice to have sex with who they want, when they want. The great thing about these partner-swapping groups that you hear about (and my husband John and I certainly do the rounds of them) is that it's all consenting adults. It's not about being unfaithful; it's about letting all your inhibitions fly right out of the window.

Quest: Which of you was it that started off your association with swapping – yourself or your husband?

Mrs I: Neither, really. We both came to a mutual decision that we wanted to spice up our relationship by trying out sex with other partners. I've got a very high sex drive and so has John, so we felt it was just a natural progression for us.

We'd always shared our deepest, darkest fantasies with each other, and from very early on in our relationship, I knew that John was really turned on by the idea of watching me have sex with another man. But he didn't really want it to be someone either of us knew well: he wanted it to be someone who was virtually a stranger to me. I must say that the idea really aroused me too; the more I thought about it, the more I wanted to do it.

I don't know where John found out about these partner-swapping sessions after we'd discussed it at great length; I think he bought one of those magazines which have all the details in them. But I must admit that when we first decided to take part, I was nervous – though that was more because I thought we might come across someone we knew, than anything else. As I'd guessed even before we got involved, the swapping circle is immensely widespread.

So the first time we swapped, we went off to a small country hotel (I can't say where it is, for obvious reasons) who'd advertised one of their 'private parties' in the magazine that John had got hold of. I was in such a state of excitement when we got there, so aroused just contemplating the steps we were about to take, that I thought, if anyone touches me now, man or woman, I'm going to come in my knickers. The feeling of excitement was just indescribable.

"I became adept at having a cock in my mouth and one in my pussy at the same time"

The first time we met our fellow swappers was when we all gathered that evening. It was quite formal at first, with the host welcoming us with a little speech about how nice it was to be among a group of consenting adults who all felt the same about sex. I looked around – and I must say that I was really gratified at the number of men there. They outnumbered the women by about four to one.

And that meant that I was in for a hot and horny evening. Once everyone was loosened up, it was anything goes. About two hours later, I found myself kneeling on all fours on a huge rug in the middle of that room, my bum hoisted high in the air, my pussy dripping with love juice, demanding that John find a man to fill the aching hole that was my cunt.

"I've got to have a cock for my pussy," I told him, as I reached down and played with my little hooded love button, pulling the cover of it back and forward with one fingernail and manipulating it so that all the gathered watchers (about a quarter of the people in there – the rest were otherwise occupied!) could see exactly what I was doing. They had already all watched me suck my own husband's shaft until he came in my mouth and all over my boobs and nipples, but now he was about to have his real pleasure, and watch me being fucked by another man for the first time.

John chose my first partner for me, and I was well pleased that he was a young, husky guy of about 25 with the most enormous cock I'd laid eyes on in my life, circumsized too – something which I'd often admitted being turned on by. I just let my boobs hang down and wobble as he knelt behind me and pushed his cock all the way up my pussy, making the juices that were dribbling out squelch loudly as his cock filled the space there. When he started pumping in and out of me, fast and hot, I moaned and shivered as rings of climax swept through me. My face showed nothing but pleasure as I looked up at my husband and panted my delight to him.

"All around me, in every corner of the room, couples were screwing"

It seemed that my new lover pumped into me for hours until he shot his load, still pumping as his balls unloaded all their creamy come. As soon as he was done, he pulled out his cock, wiping its stickiness on my lush bum cheeks as a second guy took his place. He had a thick foreskin, every inch of which I could

feel inside me as he started to fuck me too, taking things a lot more slowly than my first partner had done. And he wasn't there alone either; I could hear his wife in the background, encouraging him, urging him on.

"Go on, Dan – she's loving it. I can see her face as you're fucking her. She's loving it, Dan – she's loving the screwing that you're giving her."

All around me, in every corner of the room, couples were screwing, but all I could concentrate on, all I could see and feel, was the cock inside me, and the numerous pairs of eyes that were on my performance. I was revelling in it. It just turned me on even more that everyone watching was wanking themselves frenziedly too. Dan came his load inside me within just a few minutes, and then I lost count of how many men fucked me – I even became adept at having one cock in my mouth and one in my pussy at the same time. It's not as easy as you might think!

That weekend was totally liberating for me. Believe it or not, but after the night's swapping had finished, John and I went up to our room and fucked twice more, we were so excited by what had just happened. It was the best sex we'd ever had too, even though my thighs and pussy ached with the exertion of it. That was the first of many such weekends that we spent.

Quest: But you didn't just stop at that during that weekend, did you?

Mrs I: No – we just couldn't keep it to ourselves! When we got home, I suggested that we invite some friends of ours over, a couple called Steve and Debbie that we'd known for years. In all that time, we'd never had any contact with them other than as friends, but somehow I knew that this was going to be different. We were both charged up by our encounters at the hotel, and now we wanted to put our new experiences into practice.

I don't know how we managed it, but John and I soon managed to turn the conversation around to where we had just been – and what we'd done there. Debbie was fascinated, and I could tell that she was getting hugely aroused as she questioned me...

"What was it like having John watching you getting fucked by another man? Did it make it twice as exciting to have your hubby watching you doing it with another bloke? Did you watch him doing it with someone else, too? What was that like?"

That was the one thing that I hadn't managed to do when we'd been away. I glanced at John. "I'd like to find out," I told him.

Steve and Debbie exchanged glances. They seemed to be questioning each other, and then Debbie stood up and led the way out of the room and up to our bedroom. My heart was thumping so hard with arousal, I thought the neighbours must be able to hear it. When we got to the bedroom, Steve and John lay back on the bed and watched as Debbie and I stripped each other naked, slowly drawing off each garment with relish as we uncovered each other's body.

"Dan shot his load inside me, then I lost count of how many men fucked me"

We didn't kiss or touch each other in a sexual way, but I did enjoy the way our husbands were looking as they watched us undress each other. Then I guided Debbie towards John. "Now I want to watch him fuck you," I told her.

She straddled him on the bed, right next to her own husband, and started to dangle her boobs on his face, licking and kissing his body all over as he stroked all her erogenous zones. Seeing his tongue snaking into her pussy as she held herself over his face made me shiver with arousal, and the next minute I'd joined the action, copying every movement Debbie was making with John, with Steve.

It was very exciting to have another man's cock inside me, mirroring the movements that my own husband's cock was making, and Debbie was panting loudly, urging John's cock deeper into her, making me only too aware of the thorough fucking that he was giving her. Likewise, Steve's shaft was embedded right in my cunt, making me writhe and buck with pleasure as he matched my husband's thrusting. There wasn't much room for manoeuvre on the bed, and I thought it might collpase under the vigorous force of our fucking, but luckily it stayed in one piece as Debbie and I climaxed almost at the same time, my boobs thrust towards the ceiling, the nipples swollen almost to bursting as my orgasm ripped through me. When Steve unloaded his come inside me just after John had given Debbie that treat, I came again.

Partner-swapping has really transformed my sex life with John. Steve and Debbie aren't the only friends of ours that we've introduced to it, and we've now fucked all of our friends between us. Now, we're branching out into making home videos of us all at it – which just means we can enjoy all the horny pleasure after the event too. I've lost count of the number of different blokes I've fucked now, but one thing is for sure – it's really improved my sex life with Steve beyond all measure. Ⓜ

Kathryn Shannon

Kathryn Shannon's bum has been a constant source of delight to the entire *Mayfair* office and it's not difficult to see why.

"I'm always getting complimented about my rear," claims the sexy 20-year-old star of *The Lovers' Guide*. "And to be honest, I'm not averse to showing it off either. If you've got it, flaunt it!" Still, it has caused the girl a few problems…

"I hate it when blokes I don't know slap it in a pub or club. If I want someone to spank me at home, then that's a different matter, because it's usually the start of something much more satisfying! I love a man to take charge of love-making, so that I feel safe and protected — and then I can really lie back and enjoy it!" Ⓜ

HARD VIDEOS FROM THE SEX CAPITAL OF THE 90's

EUROPORN

BERLIN

It's the real 'Sex City' of Europe, where anything goes and usually does, where the outrageous night life reflects its customer tastes for the bizarre, the unusual and the extremely weird.
If you are interested in the bizarre, the unusual and the extremely weird, then this could be your lucky day. Produced by the famous 'Fick-Fabrik', well known for its porno films around the world. These 'Superding' videos contain screwing, fxxking between M/F — F/F, Orgy, Oral Sex etc. etc.
We have selected these four videos from their most recent, productions and they are not available from anywhere else in the UK.

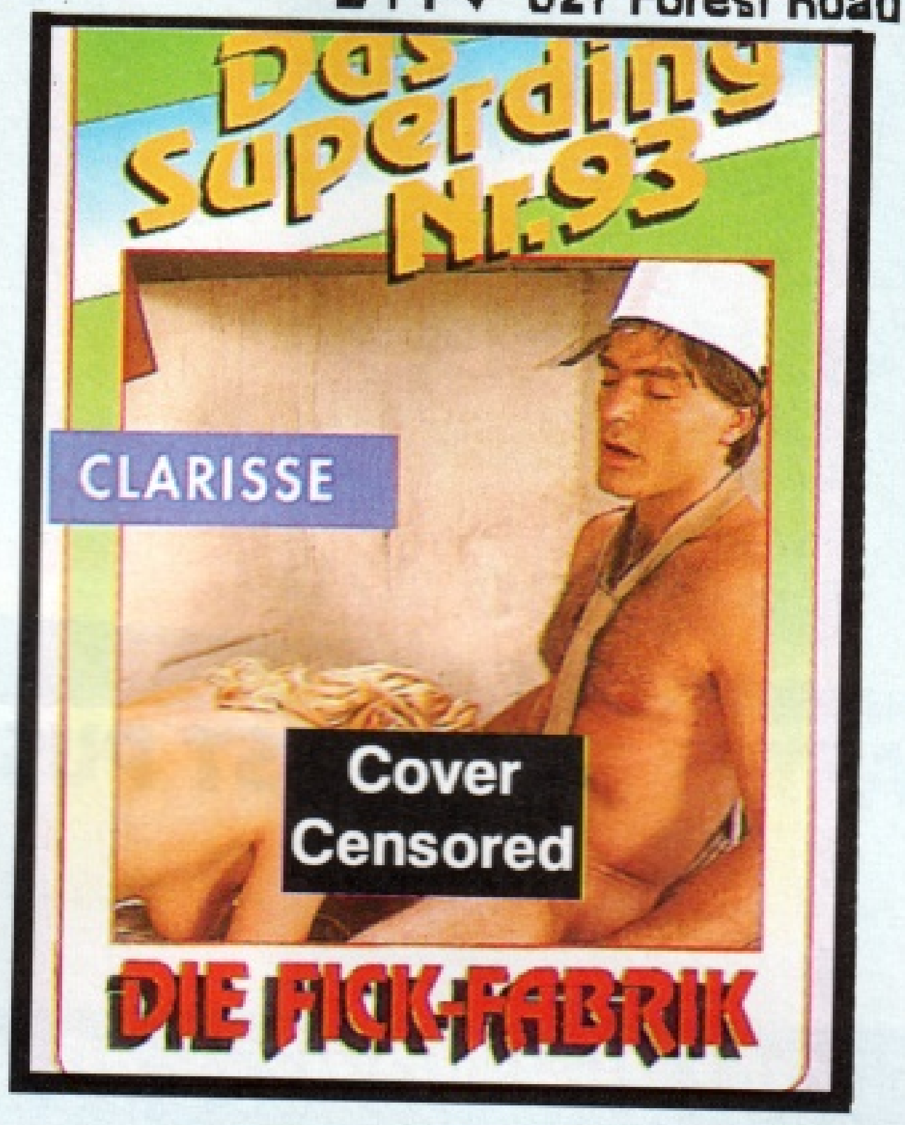
DIE FICK-FABRIK

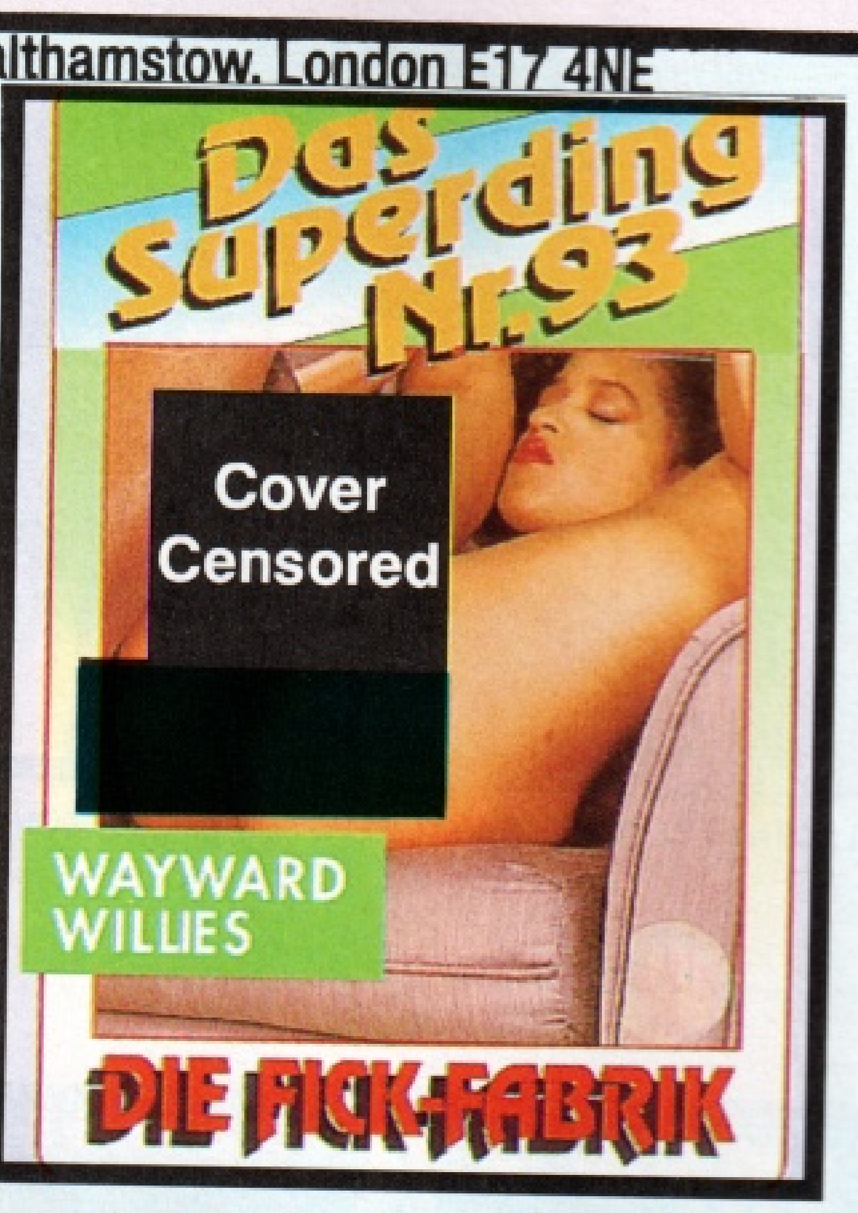
HOT GUN

Based on the activities of an aircrew there's plenty of uniforms and stockings, and our heroine takes 9" of pumping love muscle in every conceivable orifice, both in the car and in the shower. Excellent o**l, splash and a***.



CLARISSE

A classic of German pornography specially remade for the British market! For those of you who love the lickers this is probably the best and most explicit les***n video ever seen. Plenty of full pen*******n too!



WAYWARD WILLIES

It may not sound like a true hardline production and it certainly doesn't have much of a storyline, but you couldn't cram more dirty, filthy sex into one video if you tried. It's non-stop a**l, o***, 2 on 1, 3 on 1, bon***e, dom*****n, le****n — it's all here in the most graphic detail — Don't miss it.

OFFICE GIRLS

What a place to work! "Time for dictation Miss Jones" takes on a whole new meaning! Loads of d***ie over desks and the photocopier and some of the best close-up shots you'll ever see. Loads of splash — they say it's good for the complexion!! This is a straight forward f*** film of the very highest quality.

CASTING COUCH

mentary.

"Julian claims that you're something special. He never uses that tone of voice. Did you fuck him?"

"A lady never tells," she replied.

"A man in my position gets all sorts of women offering to fuck him. Julian's young, new in the business. We just can't give out parts to every aspiring actress who walks through the door and drops her knickers."

"I don't wear knickers," Melanie said calmly. "And I don't want to be an actress either."

"Huh?" the man said.

"I just want to talk to Mr DeFranco. I'm willing to do anything just to see him in person."

The casting director licked his lips as Melanie's skirt shifted up her thigh. "Mr DeFranco is one of the most reclusive men in the business. He doesn't see anybody."

"So I'm told." Melanie unbuttoned the top button of her vest. The casting director swallowed.

"In fact," continued the man, "most of the time even I don't know where to find him."

"But you do today," Melanie said confidently. "You're in the middle of casting a film. I'd bet you have an appointment with him later."

"You seem to know a lot about him," he said.

Melanie spread her knees apart, showing off her superb pussy. "I just want to meet him," she said smoothly. "I won't even ask him for a role, I don't want his autograph... I won't even try and fuck him. I just want to be able to say that I met the most reclusive man in the movie business."

She came around the side of the casting director's desk. He leaned back, determined to resist, but she unzipped him and had his twitching knob in her hand before he could blink.

"Just five minutes?" he asked.

"One minute," she said, licking the head of his prick. He gasped. "I won't get you into trouble."

She engulfed him with her mouth.

"I'll let you know in a little while," he said, raising his hips to drive his meat between her lips.

She wriggled out of her blouse, sucking all the while. His cock glistened with her saliva each time it emerged. When it was thoroughly wet, she settled her breasts around it and squeezed them together.

He pumped. On each upward thrust, the head of his cock popped into view, only to vanish again into the walls of tit. Freeing him, she leaned down and took him deep in her mouth.

"They're so soft," he murmured. "How can they feel so soft when they look so firm?"

"Well, let's just say that they're multi-talented," she stated, and gave him some more head.

He sighed and leaned back. She slid his pants and shorts down to his ankles. He stroked her forehead; she stroked his balls. "Boobs again. More boobs," he begged.

She wrapped her breasts around his shaft again and frantically jiggled her tits up and down. They massaged his rod like two firm mounds of jelly.

"Ooohhhh!" he groaned, tensing his body. "Here I go!"

"Here you come!" she laughed, correcting him.

She accepted his sticky wad in her deep cleavage. "Well?" she asked, smiling. "What do you say?"

"I'll set up the introduction," he replied breathlessly. "A lady like you deserves everything she asks for."

"I'm the best at what I do," she said. "I get the job done when nobody else can. Now, what room should I wait in for you to bring Mr DeFranco to me?"

About an hour later, the casting director and a fifty-ish, greying man in jogging pants and a tee-shirt ambled through the doorway, deep in conversation. The former spotted Melanie, pointed, and nodded. She rose and placed herself in their way.

"Mr DeFranco?" she asked.

The producer seeing her for the first time, stopped short and glared. "Yes? Do I know you?"

"No. I work for your wife, Mr DeFranco. Or should I say your ex-wife." She grabbed the elastic of his jogging pants and tucked a thick sheaf of papers down the front of them. "Here are the divorce papers that you've been so cleverly avoiding."

As the genius turned three shades of purple and opened his mouth to shout, Melanie beat a hasty exit, pausing only to wink at the casting director. Another day, another job done, the best way she knew how. Ⓜ

One of the many benefits of being a *Mayfair* girl is the doors that it opens. In this case aeroplane doors. "Stripping off on a 747 was one of the naughtiest things I've ever done," confesses 19-year-old Sharon Mackintosh. "I could just imagine being a high-flying businesswoman on a multi-million-pound assignment to New York — First Class of course. After a few complimentary glasses of champagne I'd be feeling really sexy and surrepticiously slip a hand between my thighs, searching for my hard little love button amongst my damp pubes.

"Then the air hostess would notice me struggling with my panties and ask if everything was alright. Of course this would soon lead to a little lesbian play in the toilet and my entry into the Girls Only Mile High Club..."

Are you sure you haven't been screwed on a plane before, we asked the cheeky Chelsea girl. It's just that you seem to know a lot about it! "Of course not!" she replied indignantly. "I always travel Virgin."

LETTERS

Continued from page 42

stunning — and she knew it.

After the rehearsal and everyone had gone home I was clearing up when Ellie appeared, still dressed in that suit. She went to kiss me but, foolishly, I pulled away. I was very keen on Gill and was trying hard to be faithful. Ellie kissed me again, this time rubbing her hand over the growing bulge in my trousers. Whatever my feelings for Gill were I wasn't going to let this golden opportunity pass.

After a bit of heavy kissing, Ellie pushed me into a chair and started to strip in front of me. She'd only managed to remove the jacket and trousers and unbuttoned her shirt when lust took over and I sprang into action. We sank onto a nearby props table, and gently I bent her over, eased down her panties and started fucking her. I was so turned on it was unbelievable. Watching Ellie's gorgeous young body squirming in time with my thrusts was one of the most sexually exciting sights I've ever seen.

She was equally horny and kept demanding I fucked her harder. I couldn't believe this was the same, sweet, innocent young girl I'd been working with earlier.

Ellie had a wonderful figure. Not too curvy, but very firm and athletic. After I had finally held onto her hips and shot my load up into her, she sucked my cock back into life and, as I sat on a very rickety chair, she stood astride my cock and lowered herself down onto me.

The fact that anyone could burst in any moment and catch us out made the whole thing even more erotic for both of us and it didn't take long for Ellie, who was bouncing up and down on my cock, tits spilling free from her bra, to come all over me. That did it for me again and seeing her head thrown back and her whole body tremble as a huge orgasm rippled through her had my cock bursting spunk into Ellie again.

Well, that was years ago, but now you can see how those pictures in No 10 brought it all flooding back! I don't mind you using this letter — Gill never reads your letters as she doesn't believe they're real! If only she knew, eh? — Carl, Weybridge.
